Handbook for New Converts William J. (Bill) Morgan Thd, 2012-11 Most churches have a poor to non existent method of training new Christian converts Therefore the new convert has very little knowledge on how to make the transition from living the sinner's life living a separated life that is filled with forgiveness and charity They aren't trained to forgive and forget the sins and trespasses that are rendered against them They know not that the Holy Spirit lives in their heart and will tell them exactly what to do in every step they take and how to respond to every encounter they have whether it be positive or negative They know not that God will take care of them regardless in the wake of slander financial hardships or physical devastation They hear sermons from the pulpit about tithing but have no concept how to start or how it will affect their life if they start tithing on a regular basis They are unprepared to deal with gossip and verbal bullying that they will encounter They are members of a church for years and have no concept of how to effectively pray in public or how to witness effectively to a lost person This book is not written for a specific denomination It is written as a guide to all new converts

Discipleship for New Believers: 4 Simple Steps for New Christians and Converts Brian Gugas, 2019-02-26 Learn About Discipleship and what does it mean for you The definition of a disciple is a dedicated and committed follower or student of a teacher leader or philosopher In this book we cover the basics of what a disciple is and what does it take to be a true disciple We also look at the 4 step journey to be a true disciple Being Jesus disciple is more than something you do though It's who you are But don't worry Jesus knows becoming a disciple isn't automatic He knows it's a process and that the process doesn't happen for everyone in the same way and in the same time frame This book covers each stage of discipleship separately We're also going to be looking at each stage of discipleship from two different perspectives The perspective of being a disciple maker and The perspective of becoming a disciple Scroll to the top of the page and select the buy now button **First**

Steps: New Believers Training Kit Joseph D. Perry, 2022-01-27 Jesus teaches us to pray Give us this day our daily bread But what does that really mean Obviously Jesus was not telling his disciples to simply pray for a morsel of literal bread every

day right Isn't that obvious Bread in the Bible was a powerful symbol of God's provision the act of supplying with food drink or equipment for a journey So when you pray Give us this day our daily bread you are actually saying God I need you to supply me with everything I need to make it through this journey of life and I need you to do it EVERY DAY Well here it is all contained in this workbook coupled with the corresponding video presentation Simply spend 20-30 minutes with God every day and He will serve you His daily provision and every area of your life will grow to a remarkable and exponential proportion You will become very close to your Heavenly Father You will feel Him and hear Him speak to you every day What a wonderful unexplainable feeling Here is the daily Time with God formula P R S P P Pray 3-5 minutes R Read 5-10 minutes S Study 10-15 minutes P Pray 3-5 minutes You've prayed for years Give us this day our DAILY BREAD well now here it is

First Steps Discipleship Training Gary Comer, 2014-01-21 When It Comes to Disciple Making You Get What You Aim For Because the church grows at the edges discipling new believers may be one of the most important things you do Jesus knew this At the pivotal post resurrection point he took the newer in faith and synergized a movement Yet the biblical example and current trends do not match churches lack consistently in four areas Aim They fail to shoot for the new believer's evangelistic influence Approach They teach but do not instill practices Angle Non relational follow up leads to disconnected disciples Anticipation Limited time did not produce lasting impact Re-visioning First Steps offers a fourfold course correction Set your sights on the superior targets and exciting results await This guide will prepare you for the biggest assignment ever given turn simple followers into strategic players
