Gitlitz, 2002-11-17 Nationalistic meccas shrines to popular culture and sacred traditions for the world's religions from Animism to Zoroastrianism are all examined in two accessible and comprehensive volumes Pilgrimage is a comprehensive compendium of the basic facts on Pilgrimage from ancient times to the 21st century Illustrated with maps and photographs that enrich the reader's journey this authoritative volume explores sites people activities rites terminology and other matters related to pilgrimage such as economics tourism and disease Encompassing all major and minor world religions from ancient cults to modern faiths this work covers both religious and secular pilgrimage sites Compiled by experts who have authored numerous books on pilgrimage and are pilgrims in their own right the entries will appeal to students scholars and general readers *Beyond Survival and Philanthropy* Allon Gal, Alfred Gottschalk, 2014-10-01 What will hold American Jewry and Israel together as the traditional crisis glue melts down and the familiar and practiced Israeli call for aid retreats to the remote background of each community's existence This is the question addressed by participants in a 1996 conference sponsored by the Center for North American Jewry of Ben Gurion University of the Negev and Hebrew Union College Jewish Institute of Religion *Beyond Survival and Philanthropy* is a collection of answers to this complex question offered by thirty one leading Israeli and American scholars educators journalists and communal leaders They consider the cultural currents that have shifted American Jewish attitudes toward Israel from a mobilization model to a search for personal meaning model and trace the historical roots of present tensions between religious and secular Jews in Israel The views of Yehezkel Kaufmann Ahad Ha Am and David Ben Gurion are used to help differentiate between the state of exile the sense of exile and the recognition of exile The place of Israel in American Jewish education and the treatment of American Jewry in Israeli schools is considered and the backstory of recent efforts to streamline the institutional complex that raises funds for Israel and local needs in American Jewish communities is explored Speaker of the Knesset Avraham Berg presents his view of how the changing natures of both Zionism and Judaism will affect all Jews in the twenty first century Sometimes agreeing sometimes disagreeing but always expanding upon these presentations authors of the response essays in the volume reflect and underscore the values that precipitated this discussion recognition of the unity of the Jewish people and of the continuing to share diverse views and opinions in order to formulate and address the crucial and sometimes radical choices that confront American Jewry and Israel **Half Hours in the Holy Land** Norman Macleod, 1887 **Emplaced Resistance in Palestine and Israel** Marion Lecoquierre, 2021-11-18 The Israeli Palestinian conflict gravitates constantly around the question of territorial control due to the settler colonial principle present at the core of the Zionist project Acknowledging space as a central tool of domination used by the Israeli authorities this volume sheds light on the way space can become both a resource for and an outcome of protest with an emphasis placed on the way it is used and produced through practices of resistance by subaltern groups The research relies on a comparative

approach relying on data collected in the course of fieldwork conducted between 2012 and 2015 in Palestine and Israel It focuses on three sites of contention which include the H2 area in Hebron the occupied Old City under Israeli authority the core neighbourhoods of Silwan Wadi Hilwe and al Bustan and the unrecognized Bedouin village of al Araqib in the Negev desert Through these three case studies the book tackles different strategies that engage with the materiality of space place sense of place territory landscape network and scale showing the mobilization of a real spatial repertoire of contention The different regimes of control give rise to strategies that are first and foremost emplaced i e rooted in the local Providing an original comparison between flashpoints of the Palestinian resistance against the Israeli politics of dispossession and expulsion the book is a key resource for scholars and readers interested in political geography political science sociology and the Israel Palestine conflict
