American Remakes of British Television Carlen Lavigne,Heather Marcovitch,2011-03-31 Ever since Norman Lear remade the BBC series Till Death Us Do Part into All in the Family American remakes of British television shows have become part of the American cultural fabric Indeed some of the programs currently said to exemplify American tastes and attitudes from reality programs like American Idol and What Not to Wear to the mock documentary approach of The Office are adaptations of successful British shows Carlen Lavigne and Heather Marcovitch s American Remakes of British Television

Transformations and Mistranslations is a multidisciplinary collection of essays that focuses on questions raised when a

foreign show is adapted for the American market What does it mean to remake a television program What does the process of Americanization entail What might the success or failure of a remade series tell us about the differences between American and British producers and audiences This volume examines British to American television remakes from 1971 to the present The American remakes in this volume do not share a common genre format or even level of critical or popular acclaim What these programs do have in common however is the sense that something in the original has been significantly changed in order to make the program appealing or accessible to American audiences The contributors display a multitude of perspectives in their essays British to American television remakes as a whole are explained in terms of the market forces and international trade that make these productions financially desirable Sanford and Son is examined in terms of race and class issues Essays on Life on Mars and Doctor Who stress television's role in shaping collective cultural memories An essay on Queer as Folk explores the romance genre and also talks about differences in national sexual politics An examination of The Office discusses how the American remake actually endorses the bureaucracy that the British original satirized **This is the BBC** Simon J. Potter, 2022-04-14 In the hundredth year of the British Broadcasting Corporation historian Simon J Potter looks back over the hundred year history asking if the BBC is really the voice of Britain and what comes next for British public broadcasting 2022 marks the centenary year of the British Broadcasting Corporation As Britain's most famous and influential broadcaster the BBC faces a range of significant challenges to the way it operates and perhaps to its existence from the government but also from a rapidly changing media environment Historian Simon J Potter explores the hundred year history of this corporation drawing out the roots of these challenges and understanding how similar threats hostile politicians and prime ministers the advent of television were met and overcome in the past Potter poses the question Is the BBC the voice of Britain exploring its role in changing wider culture and society promoting particular versions of British national identity both at home and overseas The BBC has long claimed to speak for the British people to the British people and with a British accent and Potter explores how far these claims have been justified with this exciting new study which covers the establishment of the BBC Empire Service and the World Service and focuses on people programmes and politics to understand the Corporation's engagement with changing ideas about culture and society in Britain including issues of class gender and race **The Twelve Dels of Christmas** David Jason, 2022-10-13 What a brilliant Christmas gift Chris Moyles Like sitting down by the fire with Sir David and hearing your stories Full of surprises Lorraine Kelly Think of this memoir as a Christmas special in book form from someone who has been involved in a few of those and understands a bit about the concept But a Christmas special very much like Only Fools and Horses in the sense that the stories will be always heading outwards ranging far and wide and well beyond the traditional festive gags involving giblets left in turkeys As I sift through various festive related episodes in my career loosening the ribbons parting the wrapping paper I'll be doing my best to reach any relevant conclusions about life work and the meaning of it all that I can usefully pass on to you baubles of wisdom if you
