Stewards of the Gospel Ronald E. Vallet, 2011-07-22 The word stewardship comes across as stale and mildly distasteful to many in the church today as a term limited in its scope to euphemistic conversations about financial giving Yet as Ronald Vallet points out when the apostle Paul refers to stewards of the mysteries of God 1 Cor 4:1 he's talking about something much deeper and richer than fund raising In *Stewards of the Gospel* Vallet recovers a more adequate understanding of Christian stewardship in light of both the New Testament and the realities facing today's church as it deals with challenges to justice to the environment and even to faith itself He then applies his reinvigorated concept of stewardship in practical ways to congregations to their pastors and leaders and to the seminaries and denominational structures that mold and support those leaders Enhancing Vallet's broad gospel oriented vision of stewardship are thoughtful responses from six seasoned theological educators Daniel Aleshire David L Bartlett Bruce C Birch Terry Parsons Eugene F Roop and L E Ted Sivers
