Stickety Stick:

The Mirror Test Jeffrey W. Hayzlett, 2010-05-05 Hayzlett's big booming approach is direct and to the point but done so with a smile on his face as *The Mirror Test* is chock full of inspirational business stories and insights from his own career. Jeff Hayzlett is a big boisterous guy who has the guts to get in your face and tell you exactly why your business isn't doing well. In short, he asks the questions that most business managers are afraid to ask. And as Jeff points out, if you aren't willing to look at what's working and what isn't and then take the necessary steps to fix them, well, you and your colleagues and employees are in for a tough ride. Known for his outspoken appearances on numerous TV reality shows, Hayzlett has built his career on having the ability to get his people to look up and pay attention to the problems at hand. *The Mirror Test* will teach readers through entertaining and timely anecdotes how to thoughtfully yet aggressively evaluate, deconstruct, and then reconstruct one's business. In his unique confrontational manner, Hayzlett will coach small business owners and managers on topics such as: Give your business the mirror test, is your company really breathing? Here's how you and your company must adapt or die. The bottom line of your business really is your bottom line. You have to focus on it.

The Weatherwomen Mona Rocha, 2020-03-04 Assertive, tough, and idealistic, the Weatherwomen members of the Weather Underground Organization (WUO) from the late 1960s were determined to stamp out sexism and social injustice. They asserted that militancy was necessary in the pursuit of a socialist revolution that would produce gender, racial, and class equality. This book excavates their long-buried history and reclaims the voices of the Weatherwomen. The Weatherwomen's militant feminism had many facets. It criticized the role of women in the home, was concerned with the subordination of women to men, attacked the gender pay gap, and supported female bodily integrity. The Weatherwomen also refined their own feminist ideology into an intersectional one that would incorporate multiple identity perspectives beyond the white American middle-class perspective. In shaping a feminist vision for the WUO, the Weatherwomen dealt with sexism within their own organization and were dismissed by some feminist groups of the time as inauthentic. This work strives to recognize the WUO's militant feminist efforts and the agency, autonomy, and empowerment of its female members by concentrating on their actions and writings.

The Black Lizard Big Book of Pulp Otto Penzler, 2008-12-24 The biggest, the boldest, the most comprehensive collection of pulp writing ever assembled. Weighing in at over a thousand pages containing over forty-seven stories and two novels, this book is big, baby, bigger, and more powerful than a freight train; a bullet couldn't pass through it. Here are the best stories and every major writer who ever appeared in celebrated pulps like *Black Mask*, *Dime Detective*, *Detective Fiction Weekly*, and more. These are the classic tales that created the genre and gave birth to hard-hitting detectives who smoke criminals like packs of cigarettes, sultry dames whose looks are as lethal as a dagger to the chest, and gin-soaked hideouts where conversations are just preludes to murder. This is crime fiction at its gritty best. Including three stories by Raymond Chandler, Cornell Woolrich, Erle Stanley Gardner, and Dashiell Hammett.
