Still Time:

Still Time To Die Jack Belden, 2015-11-06 Vivid intensely human impressions of the war in China Malta Tunisia and Sicily by the author of Retreat with Stilwell Belden's first book Retreat with Stilwell Knopf was one of the most distinguished correspondent's books It did not have the sale it deserved he insists on saying things that should be said rather than things people want to read Even more true of this book which though two thirds of the text records war through battle the remaining third dominates sums up Belden's conclusions and grim determination to help his readers recognize the falsehood of war falsehood not only in its reportage but in its underlying causes rooted in the world soul sickness fascism which he feels is pregnant in America and must be fought now No analyzes the determining factors of the battlefield uncertainty insecurity need for political conviction of the importance of this war divorce of the combat army from civilians etc The balance deals specifically with Ksuchow Malta the Mareth Line Sicily Messina Salerno Pungent phrase and fire for crusading passion Kirkus Reviews

Still Time to Care Greg Johnson, 2021-12-07 Charting the path forward for our churches and ministries in providing care not a cure for our non straight sisters and brothers who are living lives of costly obedience to Jesus At the start of the gay rights movement in 1969 evangelicalism's leading voices cast a vision for gay people who turn to Jesus It was C S Lewis Billy Graham Francis Schaeffer and John Stott who were among the most respected leaders within theologically orthodox Protestantism We see with them a positive pastoral approach toward gay people an approach that viewed homosexuality as a fallen condition experienced by some Christians who needed care more than cure With the birth and rise of the ex gay movement the focus shifted from care to cure As a result there are an estimated 700 000 people alive today who underwent conversion therapy in the United States alone Many of these patients were treated by faith based testimony driven parachurch ministries centered on the ex gay script Despite the best of intentions the movement ended with very troubling results Yet the ex gay movement died not because it had the wrong sex ethic It died because it was founded on a practice that diminished the beauty of the gospel Yet even after the closure of the ex gay umbrella organization Exodus International in 2013 the ex gay script continues to walk about as the undead among us pressuring people like me to say I used to be gay but I'm not gay anymore Now I'm just same sex attracted For orthodox Christians the way forward is to take a close look at our history It is time again to focus with our Neo Evangelical fathers on caring over attempting to cure With warmth and humor as well as original research Still Time to Care provides Guidance for the gay person who hears the gospel and finds themselves smitten by the life giving call of Jesus Guidance for the church to repent of its homophobia and instead offer gospel motivated love and compassion

Still Time Jean Hegland, 2015-09-01 From the author of Into the Forest a moving novel about memory Shakespeare's green worlds and the power of reconciliation Until John Wilson met the warm wise woman who became his fourth wife the object of his most intense devotion had always been the work of William Shakespeare From his feat of memorizing Romeo and Juliet and half a dozen other plays as a student to his evangelical zeal

as a professor John's faith in the Bard has shaped his life But now his mental powers have been diminished by dementia and his wife has reluctantly moved him to a residential care facility Even there as he struggles to understand what's going on around him John's knowledge of the plays helps him make sense of his fractured world Yet when his only child Miranda with whom he has not spoken since a devastating misunderstanding a decade ago comes to visit John begins to question some of his deepest convictions In his devotion to Shakespeare did he lose his way Did he wrong the child who wronged him The story of an imperfect father and a wounded daughter's efforts to achieve some authentic connection even now Still Time celebrates redemption and the gift of second chances It is that rare novel that ends on a resounding note of hope reminding us that there is always time to live fully and love deeply so long as we are alive Skyhorse Publishing as well as our Arcade Yucca and Good Books imprints are proud to publish a broad range of books for readers interested in fiction novels novellas political and medical thrillers comedy satire historical fiction romance erotic and love stories mystery classic literature folklore and mythology literary classics including Shakespeare Dumas Wilde Cather and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home

While There's Still Time Robert Colacurcio, 2018-09-24 This collection of essays is intended to be a sequel to my previous book On the True Nature of the Soul Essays for the Seriously Curious The basic themes are the illusory nature of time its swift passing and ways to make better use of it while we have it The addendum at the end of each essay is meant to give the reader a way to practically apply the ideas in the essay Everything I have written including this book is a development of two basic ideas 1 we are here to see through the illusion of our separateness and 2 the soul is the potential to be one with all things The subject matter of these essays can be succinctly stated as the timeless nature of the soul incarnate as it struggles to realize that nature in time
