Max Frisch

Stiller Roman:

I'm Not Stiller Max Frisch, 2006 Readers cannot but feel the force of what remains one of the most important novels of the post war years Times Literary Supplement Stiller Max Frisch, 2006 **Perspectives on Max Frisch** Gerhard F. Probst, Jay F. Bodine, 2021-12-14 Max Frisch with his countryman Friederich Diirrenmatt shares the place of eminence in contemporary Swiss literature Indeed he ranks high among the recent leading writers in the German language But although several of his works novels and plays have been translated into English he remains little known in America In this collection of essays an international group of scholars provides a fresh introduction to this noted author The three leading essays review Frisch s work in the forms he has used most extensively drama narrative fiction and the personal diary The remaining nine essays focus on specific works or topics Among the works examined are I m Not Stiller A Wilderness of Mirrors Wilhelm Tell and the recent Man in the Holocene Among the topics are Frisch s use of language and images his treatment of women and the element of parody Concluding the volume is the most complete bibliography on Frisch to appear in English to date

Stiller Max Frisch (Schriftsteller), 1953 **Kierkegaard's Influence on Literature, Criticism, and Art: The Germanophone world** Jon Bartley Stewart, 2013 Vol 2 is dedicated to the use of Kierkegaard by later Danish writers Almost from the beginning Kierkegaard s works were standard reading for these authors Danish novelists and critics from the Modern Breakthrough movement in the 1870s were among the first to make extensive use of his writings These included the theoretical leader of the movement the critic Georg Brandes who wrote an entire book on Kierkegaard and the novelists Jens Peter Jacobsen and Henrik Pontoppidan **Stiller** Max Frisch, 2003 *Crisis of Subjectivity* Leslie A. Adelson, 2023-10-09 Marca tip en port **In Praise of Antiheroes** Victor Brombert, 2001-11 In an age of upheaval and challenged faith traditional heroes are hard to come by and harder still to love with their bloodstained hands and backs unbowed by the consequences of their actions Through penetrating readings of key works of modern European literature Victor Brombert shows how a new kind of hero the antihero has arisen to replace the toppled heroic model Though they fail by design to live up to conventional expectations of mythic heroes antiheroes are not necessarily failures They display different kinds of courage more in tune with our time and our needs deficiency translated into strength failure experienced as honesty dignity achieved through humiliation Brombert explores these paradoxes in the works of B chner Gogol Dostoevsky Flaubert Svevo Ha ek Frisch Camus and Levi Coming from diverse cultural and linguistic traditions these writers all use the figure of the antihero to question handed down assumptions to reexamine moral categories and to raise issues of survival and renewal embodying the spirit of an uneasy age **An Idiosyncratic Ethics** George David Miller, 1994 This book is an original synthesis of four elements 1 the phenomenology of value 2 caring 3 the moral imagination and 4 Kant s formula of humanity The striking result is an ethics of caring that develops our shared humanity The probing analysis and pungent argument are assisted by imaginative forms of dialogue narration and parable This lively contribution to our ethical fulfillment concludes

with a case for student centered education that is democratic creative and caring *Volume 12, Tome I: Kierkegaard's Influence on Literature, Criticism and Art* Jon Stewart, 2016-12-05 While Kierkegaard is primarily known as a philosopher or religious thinker his writings have also been used extensively by literary writers critics and artists worldwide who have been attracted to his creative mixing of genres his complex use of pseudonyms his rhetoric and literary style and his rich images parables and allegories The goal of the present volume is to document this influence in different language groups and traditions Tome I explores Kierkegaard s influence on literature and art in the Germanophone world He was an important source of inspiration for German writers such as Theodor Fontane Thomas Mann Rainer Maria Rilke Alfred Andersch and Martin Walser Kierkegaard s influence was particularly strong in Austria during the generation of modernist authors such as Rudolf Kassner Karl Kraus Robert Musil and Hermann Broch Due presumably in part to the German translations of Kierkegaard in the Austrian cultural journal *Der Brenner* Kierkegaard continued to be used by later figures such as the novelist and playwright Thomas Bernhard His thought was also appropriated in Switzerland through the works of Max Frisch and Friedrich Dürrenmatt The famous Czech author Franz Kafka identified personally with Kierkegaard s love story with Regine Olsen and made use of his reflections on this and other topics

Thank you extremely much for downloading **Stiller Roman**. Maybe you have knowledge that, people have look numerous time for their favorite books later than this Stiller Roman, but stop up in harmful downloads.

Rather than enjoying a fine PDF considering a mug of coffee in the afternoon, then again they juggled with some harmful virus inside their computer. **Stiller Roman** is simple in our digital library an online entrance to it is set as public as a result you can download it instantly. Our digital library saves in combination countries, allowing you to get the most less latency epoch to download any of our books taking into account this one. Merely said, the Stiller Roman is universally compatible as soon as any devices to read.
