changing solution meeting our soulmate on a flight we weren't supposed to take or families being reunited by accident after years of separation. Often these coincidences are explained as being controlled by a higher power or pure chance. But for the first time since Carl Jung's work comes bold new research that explains scientifically how we can identify, understand, and perhaps even control the frequency of coincidences in our everyday lives. Bernard Beitman, a leading expert on Coincidence Studies, proposes a greater personal responsibility which depends partly upon newly discovered grid cells located in the brain near the hippocampus. But neuroscience cannot complete the entire puzzle, and in this fascinating guide, Beitman provides the missing piece. From analyzing true stories of synchronicity from around the globe and throughout history, he shares key personality characteristics and situational factors that contribute to the occurrence of meaningful coincidences in our lives. Where other books on coincidences tend to be theoretical, inspirational, or story collections only, Beitman's book is the first to provide a scientific understanding and practical ways in which readers can use them in their own lives. He reveals how to activate your observing self so you don't miss synchronistic moments, how serendipity can offer insights into solving problems or making difficult decisions, why stress activates meaningful coincidences, which states of mind impede our ability to experience synchronicity, how to interpret the meaning of a coincidence, why being attuned to coincidences is a learned skill, and how to hone your sensitivity.

A Handbook for Heretics John W. Sloat, 2009-09. A Handbook for Heretics discusses the differences between religion and the Kingdom of God. Many mainline churches resist the current reformation, a gradual movement away from traditional Christianity toward a vital spirituality. Its adherents are frequently labeled heretics when in fact they are actually the leading edge of a new spiritual age. They are discovering the much more which Jesus promised to tell us, such spiritual phenomena as out of body and near death experiences, pre-birth and post-death appearances, angel communication, and coincidental experiences. A Handbook for Heretics reconsiders some traditional Christian doctrines so as to broaden the church's view of spiritual reality. About the Author: John W. Sloat, a former Presbyterian minister, served churches in Pennsylvania and Ohio. He holds a B.A. from Denison University (1954), an M.Div. from Princeton Seminary (1957), and a Th.M. from Pittsburgh Seminary (1977). Previous books include *Lord Make Us One* (non-fiction, 1986) and *The Other Half* (fiction, 2001). Several of his sermons have been included in *Pulpit Digest*, a national preaching journal. He is married to Helen Burdick Sloat, a psychiatric nurse, and they have three children and eight grandchildren. A pianist and organist, Sloat also plays the French horn, is a scratch model builder, and leads spirituality groups.

No Regrets Living Harley A. Rotbart, 2021-03-16. Too many people reach the end of their lives wishing they had done things differently. Could they have changed things? Turning back the clock is impossible, of course, so the time to act is in the present, because our future hangs in the balance. *No Regrets Living* offers 7 Keys to help us better appreciate what we have in our lives and take greater pride in what we've done with our lives without spending precious time and energy wishing things had turned out differently. Back cover.

Expecting Miracles Chana Weisberg, 2004. *Expecting Miracles* is a collection of refreshingly honest

and inspiring interviews with traditionally observant Jewish mothers about their diverse experiences of pregnancy and childbearing It is about the ways in which mothers have managed to make these important stages in their lives into a time for personal growth spirituality and real life miracles

The Gift of Now Eleanor Vaughan, Judith Pierson, 2012-04-11 *The Ten Gifts* Robin Silverman, 2011-04-01 When one of the century's greatest floods devastated her town Robin Silverman went looking for the personal peace she knew she and tens of thousands of others would need to restore their shattered lives In her search she discovered the Ten Gifts powerful inner resources that have been within us since birth resources that can transform crisis create opportunity and deliver lasting fulfillment The gifts have familiar names faith love dreams courage unity joy trust character thanks and intention Using stories of real people Silverman beautifully illustrates new and exciting ways your gifts can be defined and used to provide the security you want when you need it the most In addition she offers practical exercises so you can put the gifts to work for yourself For anyone wanting more satisfaction from life The Ten Gifts lights the path to personal peace

The Divine Matrix Gregg Braden, 2008-01-01 The New York Times best selling author of *The God Code* and *Resilience from the Heart* Are the miracles that we see in the quantum world actually showing us our greatest possibilities rather than our scientific limits Could the spontaneous healing of disease an instant connection with everyone and everything and even time travel be our true heritage in the universe There is a place where all things begin the place of pure energy that simply is In this quantum incubator for reality everything is possible In 1944 Max Planck the father of quantum theory shocked the world by saying that this matrix is where the birth of stars the DNA of life and everything between originates Recent discoveries reveal dramatic evidence that Planck's matrix The Divine Matrix is real It is this missing link in our understanding that provides the container for the universe the bridge between our imagination and our reality and the mirror in our world for what we create in our beliefs To unleash the power of this matrix in our lives we must understand how it works and speak the language that it recognizes For more than 30 years Gregg Braden a former senior aerospace computer systems designer has searched for the understanding to do just that From the remote monasteries of Egypt Peru and Tibet to the forgotten texts that were edited by the early Christian church the secret of the Divine Matrix was left in the coded language of our most cherished traditions It is verified in today's science In this paradigm shattering book Gregg shares what he's found Through 20 keys of conscious creation we're shown how to translate the miracles of our imagination into what is real in our lives With easy to understand science and real life stories Gregg shows us that we're limited only by our beliefs and what we once believed is about to change

In the Nick of Time Dr. Sherry L. Meinberg, 2016-07-08 Coincidences synchronicities and dreams bear marked similarities They often catch us off guard and we tend to easily discount them without giving them much thought The signs and symbols involved are considered to be guideposts for the wise as they each hold much meaning and significance if we are open and receptive to their messages

Love Letters from Heaven McDaniel Morey McDaniel, Morey McDaniel, 2010 A true story of life after death by a

skeptical corporate lawyer He tells about the many surprising and ingenious signs that came to him and several others following the death of his wife Signs that make their divine source explicit Signs so moving and convincing that his faith is restored his life transformed Significantly a prominent and historic New England church plays a major role as do three senior ministers The first sign appears in the sanctuary with a minister as a co witness Millions of Americans have received comforting after death contacts but are unsure how such experiences fit into traditional religious beliefs In an important first such contacts coming directly and spontaneously from deceased loved ones are shown to have a biblical basis and to fulfill biblical promises

Synchronicity Jessika Satori,2012-10-02 This book explores the connections between the Jungian concept of time space relations and how today s business leaders can be aware of synchronistic situations to use them ethically in the workplace It bridges the Jungian concepts of synchronicity with grounded business applications It is written in a straightforward accessible style and includes examples from real life business situations It explores synchronicity and explains how it can be recognized and used in business situations This book takes the sayings timing is everything and being at the right place at the right time and establishes that synchronistic events do occur in the lives of entrepreneurs and others with surprisingly regularity

Energy Addict Jon Gordon,2004-09-07 We are overstressed overworked and overtired and things aren t getting any easier The days are getting shorter while our to do lists are getting longer The pace of life gets faster and the demands increase We attempt to fight back with caffeinated drinks and candy bars hoping to get it all done before we crash This is false energy but Jon Gordon gives us the real thing Gordon encourages us to become Energy Addicts using a few or all of the simple effective physical mental and spiritual strategies in this book including Eat early and well hydrate exercise nap connect with nature Neutralize energy vampires master the flow of money embrace the energy of silence Connect with others and yourself lead with your heart learn to love and challenge life Practical common sense sometimes counterintuitive Jon Gordon shows how we can become addicted to positive energy and habits making small changes in our lives that will produce big results

Other People's Stories Amy Shuman,2010-10-01 In Other People s Stories Amy Shuman examines the social relations embedded in stories and the complex ethical and social tensions that surround their telling Drawing on innovative research and contemporary theory she describes what happens when one person s story becomes another person s source of inspiration or when entitlement and empathy collide The resulting analyses are wonderfully diverse integrating narrative studies sociolinguistics communications folklore and ethnographic studies to examine the everyday conversational stories told by cultural groups including Latinas Jews African Americans Italians and Puerto Ricans Shuman offers a nuanced and clear theoretical perspective derived from the Frankfurt school life history research disability research feminist studies trauma studies and cultural studies Without compromising complexity she makes narrative inquiry accessible to a broad population

Small Miracles for Women Yitta Halberstam,Yitta Halberstam Mandelbaum,Judith Leventhal,2000 A woman s guide to the miraculous in everyday life presents a collection of

sixty real life stories that describe the extraordinary coincidences that can transform one s life Original
