

Small Town Cops A Sociological Analysis

Michael Brown

Small Town Cops A Sociological Analysis:

Small Town Cops Mark A. Edwards, 2004-09-01 *Small Town Cops* is a detailed and insightful participant observant analysis of a rural community police department. This research combines observations of street action and interviews with police officers, jailers, dispatchers, and inmates to present a candid overview of the problems that afflict the lives of officers working in a small town, policing by focusing on issues relating to comradeship, racism, sexism, interpersonal communication, and the blue shield of silence. The research debunks the belief that small town cops are backward, uneducated, and without professional ethics. Moreover, it exposes readers to the complexities faced by small town officers when compared to their urban counterparts, officers in an effort to overcome the complexities associated with small town life. The data also exposes the strategies employed by officers to find balance between their personal, professional, and community expectations and goals. This study is of value to anyone interested in sociology, criminal justice, policing, and ethnographic research. **Crime**

and Policing in Rural and Small-Town America Ralph A. Weisheit, David N. Falcone, L. Edward Wells, 2005-09-21 While most researchers see the urban setting as being the only laboratory for studying crime problems throughout the United States, *Crime and Policing in Rural and Small Town America* directly challenges this notion with an authoritative look at crime and the criminal justice system in rural America today. The assumption that rural crime is rare and comparable across various communities has led to incompatible theories and irrelevant practices. In order to transform this misconception, the Third Edition offers a clear outline of the definition of rural and provides a vital argument for why rural and small town crime should be studied more than it is. The book also explores the individual nature of issues that emerge in these communities, including illegal drug production, domestic violence, agricultural crimes, rural poverty, and gangs, in addition to the training needs of rural police, probation in rural areas, and rural jails and prisons. Responding to rural crime requires an awareness of its context and how justice is carried out, as well as an appreciation of how features vary across rural areas. Understanding the relationships among crime, geography, and culture in the rural setting can reveal useful ideas and implications for crime and justice in communities across the United States. **Society and the Policeman's Role** Maureen E. Cain, 2015-07-24

The role of the policeman in the community and attitudes towards the police are now matters of active public concern. In this important and enlightening study, first published in 1973, Maureen Cain gives an account of how the police operate in the United Kingdom. Her book will be of great value to sociologists, criminologists, and policemen alike. *Citizens, Cops, and Power* Steve Herbert, 2009-11-21 Politicians, citizens, and police agencies have long embraced community policing, hoping to reduce crime and disorder by strengthening the ties between urban residents and the officers entrusted with their protection. That strategy seems to make sense, but in *Citizens, Cops, and Power*, Steve Herbert reveals the reasons why it rarely, if ever, works. Drawing on data he collected in diverse Seattle neighborhoods from interviews with residents, observation of police officers, and attendance at community police meetings, Herbert identifies the many obstacles that make effective collaboration

between city dwellers and the police so unlikely to succeed At the same time he shows that residents pragmatic ideas about the role of community differ dramatically from those held by social theorists Surprising and provocative Citizens Cops and Power provides a critical perspective not only on the future of community policing but on the nature of state society relations as well Handbook of Research Design and Social Measurement Delbert C. Miller, Neil J. Salkind, 2002-01-16 If a student researcher had only one handbook on their bookshelf Miller and Salkind s Handbook would certainly have to be it With the updated material the addition of the section on ethical issues which is so well done that I m recommending it to the departmental representative to the university IRB and a new Part 4 on Qualitative Methods the new Handbook is an indispensable resource for researchers Dan Cover Department of Sociology Furman University I have observed that most instructors want to teach methodology their way to imbue the course with their own approach Miller Salkind allows one to do this easily The book is both conceptually strong e g very good coverage of epistemology research design and statistics and at the same time provides a wealth of practical knowledge scales indices professional organizations computer applications etc In addition it covers the waterfront of methodology Michael L Vasu Director of Information Technology North Carolina State University A unique and excellent reference tool for all social science researchers and a good textbook for graduate students and senior year undergraduate classes These students are about to enter the real life of research and need a handy and comprehensive tool as a starting point that offers shortcuts for getting into real research projects For a small project the book offers enough information to get the project started For big projects the book is ideal for information on where to look for things and examples Jianhong Liu Department of Sociology Rhode Island College The book considered a necessity by many social science researchers and their students has been revised and updated while retaining the features that made it so useful The emphasis in this new edition is on the tools graduate students and more advanced researchers need to conduct high quality research Features Benefits Provides step by step instruction for students research training by beginning with how to find a creative idea a middle range theory and initial hypothesis and proceeds through design proposal collection and analysis of data followed by writing reporting and publication Section on scales and indices are organized so that readers can quickly locate and find the type of scale or index in which they may be interested All sections are now followed by useful and well considered reference sections so that readers can read more about each topic Includes updated coverage on new scales internal and external validity and new analytic techniques with extensive references on each Presents extensive coverage of how to prepare manuscripts for publication including a list of all journals covered by Sociological Abstracts along with the editorial office address and URL for each entry Discusses the importance of policy research with presentation and discussion of specific models as an adjunct to both applied and basic research techniques Provides extensive coverage of funding opportunities including those offered by the National Institutes of Health the National Science Foundation and a directory of private funding sources including relevant contact information New to this edition New Part 4 by John Creswell and Ray

Maietta provides a comprehensive introduction to qualitative methods including a review of existing computer applications for collecting and analyzing data New and more current reviews and commentaries have replaced dated or no longer relevant excerpts Thousands of new references on the assessment of important sociological variables as well as references to such topics as statistical analysis computer applications and specific topics Thoroughly updated information on the use of computers and online research techniques including beginning and intermediate material about the Internet and its use by the modern research scientist Coherent and thoughtful review of the most popular statistical analysis software packages New guidelines and discussion of ethical practices in social and behavioral science research including extensive coverage of institutional review board procedures and activities Expansion of social indicators to include international coverage Plus there is an extensive and well organized table of contents with four levels of headings and for the first time in the history of the book a comprehensive index

Community Policing in Indigenous Communities Mahesh K. Nalla, Graeme R.

Newman, 2013-03-04 Indigenous communities are typically those that challenge the laws of the nation states of which they have become often very reluctantly a part Around the world community policing has emerged in many of these regions as a product of their physical environments and cultures Through a series of case studies Community Policing in Indigenous Communities explores how these often deeply divided societies operate under the community policing paradigm Drawing on the local expertise of policing practitioners and researchers across the globe the book explores several themes with regard to each region How community policing originated or evolved in the community and how it has changed over time The type of policing style used whether informal or formal and uniformed or non uniformed whether partnerships are developed with local community organizations or businesses and the extent of covert operations if any The role played by community policing in the region including the relative emphasis of calls for service the extent to which advice and help is offered to citizens whether local records are kept of citizen movement and locations and investigation and arrest procedures The community's special cultural or indigenous attributes that set it apart from other models of community policing Organizational attributes including status in the hierarchy of control within the regional or national organization of policing The positive and negative features of community policing as it is practiced in the community Its effectiveness in reducing and or preventing crime and disorder The book demonstrates that community policing cannot be imposed from above without grassroots input from local citizens It is a strategy not simply for policing with consent but for policing in contexts where there is often little if any consent It is an aspirational practice aimed to help police and communities within contested contexts to recognize that positive gains can be made enabling communities to live in relative safety

Community Policing in a Rural Setting

Quint Thurman, Edmund F. McGarrell, 2014-10-13 The authors provide stepping stones for rural and small town agencies to make the organizational changes needed for community policing to take hold The book introduces the concept of community policing and its many benefits to the agencies and communities that adopt it Important issues discussed include the

challenge of organizational change as well as examples of community policing obstacles and successes and the future of community policing in the 21st century **Policing** Carol Archbold,2012-10-17 The free open access Student Study Site at sagepub.com archbold features eFlashcards self quizzes Sage journal articles web resources video and audio links and more Book Jacket Juvenile Justice: A Social, Historical, and Legal Perspective Preston Elrod,R. Scott Ryder,2020-02-20 Juvenile Justice A Social Historical and Legal Perspective Fifth Edition guides students in developing a sound and balanced understanding of juvenile justice and the social legal and historical context that shapes juvenile justice practice Throughout the text there are FYIs Myths v Reality Comparative Focus and Interviews that highlight important facts dispel common myths compare practices in the United States with those of other countries and allow readers to hear from present and former juvenile justice practitioners Each chapter also contains critical thinking questions intended to help students examine key issues raised in the chapter and a discussion of important legal issues related to chapter content Every new print copy includes an access code to the Navigate Companion Website that features interactive and informative learning resources to gauge understanding and help students study more effectively **Holding down the Fort** Aaron Bielejewski,2022-11-26 This Open Access book questions the relationship between institutionalized images and understandings of policing the monolithic ideas common to most if not all Western law enforcement agencies and contextual situative and local interactions where the human representatives of policing street level officers come into contact with residents The political and theoretical association of specific forms of Western policing with democratic society can be illustrated in the case of German integration narratives of reform and essentially forging new democratic police agencies in the new German states stand at odds with much of the experience and statements of officers who continued to serve following Re Unification Officers who present their works primarily in terms of their local responsibilities expectations and more specifically to their unique and individual relationship and connection to their communities downplay the relevance of high level policing policy Based on a two year ethnographic study of policing in a rural county in the German state of Brandenburg this book explores the local nature of policing both in terms of how police officers imagine their communities to be and with reference to broader societal expectations and assumptions of what police essentially are can effectively do and should effectively do **Fundamentals of Criminal Justice: A Sociological View** Steven E. Barkan,George J. Bryjak,2010-07-30 **A Nation in Arms** Ian F. W. Beckett,Keith Simpson,2004-12-22 The Great War was the first conflict to draw men and women into uniform on a massive scale From a small regular force of barely 250 000 the British Army rapidly expanded into a national force of over five million A Nation in Arms brings together original research into the impact of the war on the army as an institution gives a revealing account of those who served in it and offers fascinating insights into its social history during one of the bloodiest wars Police Behavior, Hiring, and Crime Fighting John A. Eterno,Ben Stickle,Diana Scharff Peterson,Dilip K. Das,2021-09-27 This edited collection by internationally recognized authors provides essays on police behavior in the categories of police

administration police operations and combating specific crimes Individual chapters strike at critical issues for police today such as maintaining the well being of officers handling stress hiring practices child sexual exploitation gunrunning crime prevention strategies police legitimacy and much more Understanding how police are hired and behave is a way of understanding different governments around the world The book will cover the practices of countries as diverse as China Germany India Japan Turkey South Africa the United States and others Readers will be exposed to aspects of police that are rarely if ever explored The book is intended for a wide range of audiences including law enforcement and community leaders and students of criminal justice

Worldwide Views on Police Discretion Yinthe Feys, 2023-01-01 This book gives an overview of the empirical research regarding police discretionary decision making worldwide through 2022 by means of a scoping review In total eleven databases were searched and 15 193 publications have been assessed in terms of relevance for this topic with 1 563 of these being assessed more thoroughly The shortlist consists of 526 publications It answers the following questions What is the amount of available research concerning police decision making and what are its characteristics How and where is police decision making studied Which crime phenomena are studied Which types of decisions are studied Which factors impact police discretion Overall the scoping review summarizes the available empirical research on police discretion and helps understand police decision making processes These findings are then used to discuss the current scholarship and give recommendations concerning research e g which decision making processes decisions are currently lacking in research which factors need to be explored further which research methods can be utilized more frequently and police practice i e how to support police officers in their decision making and optimize these decision making processes

Juvenile Delinquency in Europe and Beyond Josine Junger-Tas, Ineke Haen Marshall, Dirk Enzmann, Martin Killias, Majone Steketee, Beata Gruszczynska, 2009-12-15 Juvenile Delinquency in Europe and Beyond Results of the Second International Self Report Delinquency Study presents the status of juvenile crime and delinquency and its backgrounds in many of the European Union member states as well as in the United States Canada Venezuela and Surinam The book includes information on key issues in juvenile delinquency such as victimization of young people alcohol and drug use and its relation to juvenile crime involvement in youth gangs immigration family and school and neighborhood situations It provides insight into different views on what can be considered juvenile crime what acts are subsumed in its definition and when we can speak about structural delinquent behavior These insights are based on self reported information systematically and simultaneously collected from about 70 000 12 15 year old youths in 28 countries Until recently the self report methodology has not been applied on such a large scale in an international context The results of this survey provide new and unexpected data about those young people who structurally commit criminal acts as well as on the frequency of the behavior and the conditions that have an impact on offending The wealth of descriptions and insights in delinquency of all these countries will be of great interest to scholars students and practitioners because of the special character of the publication it is a book of

reference to everyone interested in the backgrounds of juvenile delinquency **Handbook of Police Psychology** Jack Kitaeff, 2011-03-17 The Handbook of Police Psychology represents the contributions of over thirty police psychologists all experts in their field on the core subject matters of police psychology Police psychology is broadly defined as the application of psychological principles and methods to law enforcement This growing area includes topics such as screening and hiring of police officers conducting screening for special squads e g SWAT fitness for duty evaluations investigations hostage negotiations training and consultation and stress counseling among others The book examines the beginnings of police psychology and early influences on the profession such as experimental investigations of psychological testing on police attitude and performance Influential figures in the field of police psychology are discussed including the nation's first full time police psychologist who served on the Los Angeles Police Department and the first full time police officer to earn a doctorate in psychology while still in uniform with the New York Police Department *Uncovering Stranger Things* Kevin J. Wetmore, Jr., 2018-04-20 The Duffer Brothers award winning *Stranger Things* exploded onto the pop culture scene in 2016 The Netflix original series revels in a nostalgic view of 1980s America while darkly portraying the cynical aspects of the period This collection of 23 new essays explores how the show reduces reuses and recycles 80s pop culture from the films of Spielberg Carpenter and Hughes to punk and synthwave music to Dungeons the politics psychology and educational policies of the day and how the ultimate upper class teen idol of the Reagan era became *Stranger Things* middle aged blue collar heroine **Leadership and Management in Police Organizations** Matthew J. Giblin, 2016-09-16 Built on a foundation of nearly 1 200 references *Leadership and Management in Police Organizations* is a highly readable text that shows how organizational theory and behavior can be applied to improve the operations leadership and management of law enforcement Author Matthew J Giblin emphasizes leadership and management as separate skills in successful police supervisors and executives illustrating to students how the two skills combine to improve individual and organizational efficacy in policing Readers will come away with a stronger understanding of why organizational decisions matter and the impact research can have on police departments Sociological Abstracts Leo P. Chall, 2003 CSA Sociological Abstracts abstracts and indexes the international literature in sociology and related disciplines in the social and behavioral sciences The database provides abstracts of journal articles and citations to book reviews drawn from over 1 800 serials publications and also provides abstracts of books book chapters dissertations and conference papers *Criminal Justice 2000* ,2000

Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Small Town Cops A Sociological Analysis full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Small Town Cops A Sociological Analysis eBooks, including some popular titles.

FAQs About Small Town Cops A Sociological Analysis Books

What is a Small Town Cops A Sociological Analysis PDF? A PDF (Portable Document Format) is a file format developed

by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Small Town Cops A Sociological Analysis PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Small Town Cops A Sociological Analysis PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Small Town Cops A Sociological Analysis PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Small Town Cops A Sociological Analysis PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
