Memories of West Berlin and West Germany Hans J. Rokohl,2025-06-13 All my stories are autobiographical so they're true and they're positive Who wants to read about bad things There was a little bit of it but I didn't think too much about it In my post war memoirs I talk about my experiences during this time and the events that happened at that time This continued into the years of the economic miracle In the *Heimat* *gef hle aus Neu Tempelhof* I describe the world I lived in including a bit of the city's history and I haven't quite finished yet Neu Tempelhof is interesting for two reasons It is historically significant and it is an example of urban development The 60s were a time of young love fun trips and cool cars People socialized with friends and co workers There is also contemporary history In the 70s they say goodbye to grandma and look to the West with lots of free time for fun In the stories from *Kurf rstendamm* I describe my experiences on this street It is also a journey through time from the ruins of the memorial church to the boulevard in its festive splendor Bill Haley's rock and roll the Beatles *Let It Be* and the *Let's Twist Again* song are some examples The song by Hildegard Knef is unforgettable My student Christmas stories are at the end There are some interesting things in there but I don't want to spoil the surprise I have illustrated the stories using my own photos photos I found online and photos from books I thought to myself This will show that the stories are true The illustrated stories from West Berlin are followed in a second volume by stories from West Germany where I still spend the second half of my life
