Orr,2020-09-09 The third edition of the history of the Orr Campbell Mitchell and Shirley families which in its title now recognizes that Paul Orr and Isabella Boyd's descendants went to places beyond the U S is updated as of 2020 The more than 4 000 known descendants counting

spouses of Paul Orr and Isabella Boyd went largely to the U S but also to Canada Australia New Zealand England and Scotland Some McMurtry Mitchell McQuigg and Forsythe families stayed in Ireland In the U S they have lived in died in or been married in 49 of the 50 states Vermont must be too far north They do tend to cluster though with Oklahoma being the state that drew a bunch from the Midwestern families That makes sense since it was opened for land sales at a time when the Orr family was on the move Of course California beckoned to some in each family As they settled in the Orrs married into families of all the other immigrants and of the Native American residents who were there long before Europeans They have also married into families of other races Truly melding into the melting pot
