The Columbia Guide to Contemporary African American Fiction Darryl Dickson-Carr,2005-12-06 In both the literal and metaphorical senses it seemed as if 1970s America was running out of gas The decade not only witnessed long lines at gas stations but a citizenry that had grown weary and disillusioned High unemployment runaway inflation and the energy crisis caused in part by U S dependence on Arab oil characterized an increasingly bleak economic situation As Edward D Berkowitz demonstrates the end of the postwar economic boom Watergate and defeat in Vietnam led to an unraveling of the national consensus During the decade ideas about the United States how it should be governed and how its economy should be managed changed dramatically Berkowitz argues that the postwar faith in sweeping social programs and a global U S mission was replaced by a more skeptical attitude about government s ability to positively affect society From Woody Allen to Watergate from the decline of the steel industry to the rise of Bill Gates and from Saturday Night Fever to the Sunday morning fervor of evangelical preachers Berkowitz captures the history tone and spirit of the seventies He explores the decade s major political events and movements including the rise and fall of d tente congressional reform changes in healthcare policies and the hostage crisis in Iran The seventies also gave birth to several social movements and the rights revolution in which women gays and lesbians and people with

disabilities all successfully fought for greater legal and social recognition At the same time reaction to these social movements as well as the issue of abortion introduced a new facet into American political life the rise of powerful politically conservative religious organizations and activists Berkowitz also considers important shifts in American popular culture recounting the creative renaissance in American film as well as the birth of the Hollywood blockbuster He discusses how television programs such as All in the Family and Charlie s Angels offered Americans both a reflection of and an escape from the problems gripping the country

Walter Dean Myers Denise M. Jordan,2013-01-01 Walter Dean Myers tells it like it is in his award winning novels about urban teenagers with real problems With humor and a keen ear for dialogue Myers creates characters that speak directly to today s teens As a young reader Myers could not find books about African American boys like himself Drawing upon his own struggles and experiences he has filled that literary gap with fascinating novels filled with realistic stories that appeal to readers of all backgrounds and cultures

Understanding Diversity Through Novels and Picture Books Liz Knowles,Martha Smith,2007-05-30 *Understanding Diversity Through Novels and Picture Books* goes beyond the usual multicultural lists and looks at the wide expanse of the diversity of cultures and lifestyles impacting

children's lives in America today and identifies good books to have in library collections for them to read. Included are annotated titles with discussion questions from all of the identified cultures and subcultures and annotated teacher/librarian resources, print and Web based, as well as an excellent list of topical annotated journal articles. Grades 4-8 Knowles and Smith examine current research on diversity and multiculturalism. They move away from the traditional aspects of multicultural education: food, fashion, folktales, festivals, and famous people, to a focus on novels and picture books and realistic fiction to show children with diversity issues that there are others in similar positions. The issue of authenticity, whether the author of the book should be of that culture or merely familiar with the culture, is discussed. Topics include Ethnicities: Asian, Latino, Hispanic, African, Black, Native American, White, European, Bi/Multiracial, Exceptionalities, Ageism, Socioeconomic Status, Sexual Orientation, Gender, and Religion. The authors provide this valuable resource for libraries, schools, and communities that wish to utilize literature to help diverse students walk in the shoes of others and to match books to children and young adults to heighten understanding and acceptance. Grades 4-8 Walter Dean Myers Amy Sickels, 2013-11 Walter Dean Myers Mary Ellen Snodgrass, 2015-01-24 Walter Dean Myers, preeminent author of teen fiction, biography, and verse, refines the image of black characters that are frequently trivialized or vilified in juvenile literature, advertising, television, and film. From his saga *The Glory Field* to his novel *The Young Landlords*, Myers's canon surveys the complex realm of the teen years as colliding settings in home, school, and the street. This volume introduces readers to both the writer and his work with an emphasis on the characters, dates, events, motifs, and themes from the books. Myers's 101 A to Z entries offer concise analytical discussion on all topics and include generous citations from primary and secondary sources. Each entry concludes with a selected bibliography on such subjects as segregation, Malcolm X, urbanism, writing, metafiction, drugs, and alcohol, slavery, and the Vietnam War. Appendices offer a timeline of historical events in Myers's writings and forty topics for group or individual projects, oral analysis, background material, and theme development. A map of Harlem, where many of the stories are set, genealogical diagrams for characters, and an author chronology contribute to a comprehensive presentation. Pathways to Independence Jo Worthy, Karen Broadus, Gay Ivey, 2001-04-20 This comprehensive text presents a core of research-based approaches to engaging, effective literacy instruction in the middle grades. Methods and materials are described to foster reading skills, content mastery, and writing in different formats and for different purposes. The authors emphasize the need to tailor instruction to the needs, strengths, skill levels, and interests of diverse students. They offer recommendations for reading lists that incorporate critically acclaimed fiction and nonfiction, popular series books, and other student-friendly materials. Special features include case studies, examples of teaching and assessment activities, and commentary from middle school teachers and students. Appendices contain reproducible forms and lists of recommended reading materials and resources. Bringing Mysteries Alive for Children and Young Adults Jeanette Larson, 2004 Presents an introduction to the mystery genre, discussing why children and young adults might or might not enjoy mysteries, looking at series mysteries, offering

suggestions for educators on how to integrate mysteries into other areas of the curriculum and including outlines for mystery related programs as well as lists of mystery books *Spectrum Language Arts, Grade 4 School Specialty* Publishing, Carson-Dellosa Publishing, 2003-09 Encourages creativity and builds confidence by making writing fun Seventy two four part lessons strengthen writing skills by focusing on parts of speech word usage sentence structure punctuation and proofreading Each level includes a Writer s Handbook at the end of the book that offers tips Based on the highly respected McGraw Hill Companies language arts textbooks Full color illustrations Consumable Available now **The Horn Book Guide to Children's and Young Adult Books** ,1996 *Bulletin of the Center for Children's Books* ,1996-03
