Hotshot River Selby, 2025-08-12 A beautiful reflection on justice the environment the self and much more George Saunders The fierce debut memoir of a female firefighter Hotshot navigates the personal and environmental dangers of wildland firefighting From 2000 to 2010 River Selby was a wildland firefighter whose given name was Anastasia This is a memoir of that time in their life of Ana the struggles she encountered and the constraints of what it means to be female bodied in a male dominated industry An illuminating debut from a fierce new voice Hotshot is a timely reckoning with both the personal and environmental dangers of wildland firefighting By the time they were nineteen Selby had been homeless addicted to drugs and sexually assaulted more than once In a last ditch effort to find direction they applied to be a wildland firefighter Two years later they joined an elite class of specially trained wildland firefighters known as hotshots Over the course of five fire seasons Selby delves into the world of the people almost entirely men who risk their lives to fight and sometimes prevent wildfires Simultaneously hyper visible and invisible Selby navigated an odd mix of camaraderie and rampant sexism on the job and when they challenged it a violent closing of ranks that excluded them from the work they d come to love Drawing on years of firsthand experience on the frontlines of fire and years of research Selby examines how the collision of fire suppression policy colonization and climate change has led to fire seasons of unprecedented duration and severity A work of rare intimacy Hotshot provides new insight into fire the people who fight it and the diversity of ecosystems dependent on this elemental force

Rampage by Firestorm Robert W. Sisk, In June of 1979 a firefighting plane plummeted from the skies over Idaho into the Selway River This tragedy representing one of the worst plane crashes in Idaho s history was one of the most significant events in the storied history of the Gem State s firefighters Drawing from an extensive treasure trove of research author and former aerial firefighter Robert W Sisk tells the story of the tragic airplane accident as well as many other challenging wildland disasters Fires covered in this book range from the infamous Mortar Creek Fire in Idaho to the deadly 2013 Yarnell Hill Fire in Arizona Learn about the bravery of firefighters and smokejumpers in intimate detail using this wealth of informational stories gathered from government reports maps photographs interview transcripts and the author s own personal participation in fighting some of the intense fires

Fire Eaters Peter

Pigott,2025-04-29 The riveting history of how aircraft have transformed the fighting of wildfires Throughout history when threatened by wildfires our only defense was to pray for rain and run until aircraft changed the way we fight fires Beginning with the Canadian H Boats in 1924 aircraft have become indispensable in detecting and extinguishing wildfires Fire Eaters tells the incredible stories of the Ontario Provincial Air Service the first government aerial fire suppression organization in history one of its pilots Carl Crossley who invented the water scoop up and drop off system and the Canadair CL 215 the first purpose built water bomber Today helicopters with Bambi Buckets and snorkels can dump water while hovering directly over the flames and Air Tractors and Dash 8 400AT air tankers not only perform a crucial role in saving communities but also protect our ecosystem Satellites unmanned aircraft able to fly for sixteen hours even overnight when manned aircraft do not and artificial intelligence already play a decisive role in fire management But it is the men and women of the aerial fire service who have really changed the way we fight fire around the world Their bravery and dedication mean that response times are fast fires can be contained sooner and people have the chance to save rather than lose everything Gone Dark
