Smudge's Day Out James Herriot, 1993 *Early Days in the Forest Service* United States. Forest Service, United States. Forest Service. Northern Region, 1944 **Autobiographies III** Sean O'Casey, 2011-10-20 I thought that no man liveth and dieth to himself so I put behind what I thought and what I did the panorama of the world I lived in the things that made me Sean O'Casey 1948 Sean O'Casey's six part Autobiography originally published between 1939 and 1955 is an eloquently comprehensive self portrait of an artist's life and times unsurpassed in literature As its title suggests *Rose and Crown* 1952 reflects O'Casey's experience of making a new home in England where socialist passion intact he makes a sharp study of the General Strike of 1926 *Sunset and Evening Star* 1954 offers both valediction and celebration for though O'Casey views Ireland as a decaying ark afraid of the falling rain of the world's thought he can still envisage the nation's young throwing out some of the musty stuff bringing the fresh and the new *Faber Finds* is devoted to restoring to readers a wealth of lost or neglected classics and authors of distinction The range embraces fiction non fiction the arts and children's books For a full list of available titles visit www.faberfinds.co.uk To join the dialogue with fellow book lovers please see our blog www.faberfindsblog.co.uk **Central Two Zero Seven Nine Out** Paul Canning, 2021-07-22 What sort of a life do you make for yourself when there is no focus How does your life pan out as you ride the vicissitudes of a dog eat dog cut throat employment market How do you chase your dreams into adulthood to find love happiness and success when you carry inside yourself a childhood dejected insecure unstable and with what tiny morsel of confidence you possess in tatters because you've been at the mercy of a bullying control freak your own father I have survived so much mental anguish with confidence renewed following a difficult and painful education in Blackpool After handwriting 100 letters I landed my first job cutting my teeth as a London based portrait and wedding photographer in early summer 1986 A life on the ocean wave then beckoned which turned me from nervous novice ship's photographer to expert smudger working aboard cruise liners worldwide In 1990 I settled down met the girl of my dreams and landed a fabulous job Metropolitan Police Service forensic photographer In the late 1990s I qualified as a Hendon based instructor leaving the police in 2004 to set up a business If that wasn't enough I then retrained as a medical photographer in 2008 and I'm now a medical photography manager working for Blackpool Teaching Hospitals NHS Foundation Trust Both journey and path to success have been a miracle in the making **iKṛṣṇa** Anand Kadakol, 2019-08-05 Suddenly the attack came close to us not yet directly upon us but very close we had to increase the intensity and we did I was in sublime touch shooting off arrow after arrow The targets were drifting across my vision and all it took was one aim and release the arrows shot off with a swish only to hit the target where I intended it and killed the recipient of the shot A few left handed shots depending on the angle of the shot where I could find the target best positioned for the shot others right handed The bow was drifting from one hand to the other flawlessly and the arrows were flowing out like spit from a cobra's mouth both accurate and deadly Before we realised there were hardly any leaders

standing By the time Jarasandha recovered his leaders and his entire army had perished Jarasandha gave a loud shout and invited us to come out in the open and fight like real warriors By this time Balarama also came into the battlefield Jarasandha did not turn back and run he was livid and angry he started challenging us to come down and fight like real warriors Rama and I descended into battleground Jarasandha was aghast to see Kids trying to defeat him Jarasandha invited us for a duel He said two versus one couldn't be fair in a war Balarama moved ahead and chose mace as his weapon He was adept at mace and Jarasandha was no less a mace warrior The fight that took place was of a quality that I wouldn't witness for a long time to come Jarasandha was more than accomplished While Jarasandha unleashed himself upon Balarama with full force and vigour Balarama was deftly defending himself Mace was flying into Rama from all directions Balarama was saving his energy for the future if he could wear Jarasandha down he could then unleash himself upon him Balarama was not through and through defensive There would be moments when he surprised Jarasandha by his speed and power Rama's mace would start banging into Jarasandha with immense strength and speed Before Jarasandha would recover from one bout of attack the second one would begin in a different style of attack The lesson and practice with our Guru was paying results I could see that in this bout Jarasandha couldn't fathom the skill level of Rama He had thought it would be child's play and he would crush Rama in no time and head for me But this challenge was more than what he had imagined The fact that his theory proved wrong gave him the mental agony which the real fight had not given That agony was showing in his inconsistent fighting method He would burst at Rama Rama would easily read the move and defend himself that would frustrate Jarasandha he would change his move which Rama easily anticipated and countered Jarasandha would get more frustrated and soon he lost his mace to a vicious shot by Rama Now it was Rama with his mace facing an unarmed Jarasandha Rama shouted at me and said he wanted to finish this fight right away and lifted his mace to hit Jarasandha I stopped Rama it's unfair to kill someone who is unarmed on a battlefield I said another day would come and he had to let him go with honour

Tourmaline James Brogden, 2014-11-01 The Tourmaline Archipelago is a place of wonder and grotesquerie which exists on the other side of our dreams In our sleep we sail its seas and walk the streets of its cities like phantoms Sometimes we bring back souls from the other side when we wake Lost confused and possessed of powers which leak through from their home these exiles are pursued by the mysterious Hegemony which seeks to enslave them When a woman appears who exists in both worlds simultaneously she must run for her life from enemies who will tear apart the boundaries of existence and plunge each into chaos in order to possess her abilities
