The city's economy and consequently its citizens' lives revolve around the Companhia Siderúrgica Nacional (CSN), the biggest industrial complex in Latin America. Although the glory days of the CSN have long passed, the company still controls life in Volta Redonda today, creating as much dispossession as wealth for the community. Brazilian Steel Town tells the story of the people tied to this ailing giant of their fears, hopes, and everyday struggles. *International Who's Who of Authors and Writers 2004* Europa Publications, 2003 Accurate and reliable biographical information essential to anyone interested in the world of literature.
