Luso-American Literature Robert Henry Moser, Antonio Luciano de Andrade Tosta, 2011 Portuguese and Cape Verdean immigrants have had a significant presence in North America since the nineteenth century Recently Brazilians have also established vibrant communities in the U S This anthology brings together for the first time in English the writings of these diverse Portuguese speaking or Luso American voices Historically linked by language colonial experience and cultural influence yet ethnically distinct Luso Americans have often been labeled an invisible minority This collection seeks to address this lacuna with a broad mosaic of prose poetry essays memoir and other writings by more than fifty prominent literary figures immigrants and their descendants as well as exiles and sojourners It is an unprecedented gathering of published unpublished forgotten and translated writings by a transnational community that both defies the stereotypes of ethnic literature and embodies the drama of the immigrant experience

Werner Sollors Reader Werner Sollors, 2025-01-31 Born in Silesia raised in the Frankfurt area and educated in Berlin Werner Sollors has spent most of his career at Harvard University in the United States and is regarded in Cornel West's words as one of the finest scholars that we have on race and cultural hybridity in both this country and the world This Reader offers the first comprehensive overview of the work of a central figure in the field of ethnic studies The pieces collected here range from Puritan New England to contemporary Germany from Exodus to Mary Antin's *Promised Land* from the *Curse of Ham* to Teju Cole They attest to Sollors' deep historical sensibilities his attention to textual detail and his awareness of the costs and opportunities of both cosmopolitan ideals and particularist commitments whilst addressing a central question why does modernisation take the form of ethnicisation in many places around the globe The collected essays are complemented by a detailed introduction by Daniel G Williams which foregrounds some of the key emphases and tensions in Sollors' writings

Ethnic Modernism Werner Sollors, 2008 Werner Sollors's monograph looks into how African American European immigrant and other minority writers gave the United States its increasingly multicultural self awareness focusing on their use of the strategies opened up by modernism

A Companion to Portuguese Literature Thomas Foster Earle, Stephen Parkinson, Cláudia Pazos Alonso, 2013 An essential chronological framework for students of Portuguese literature This

companion volume offers an introduction to European Portuguese literature for university level readers. It consists of a chronological overview of Portuguese literature from the twelfth century to the present day by some of the most distinguished literary scholars of recent years leading into substantial essays centred on major authors, genres or periods and a study of the history of translations. It does not attempt an encyclopaedic coverage of Portuguese literature but provides essential chronological and bibliographical information on all major authors and genres with more extensive treatment of key works and literary figures and a particular focus on the modern period. It is unashamedly canonical rather than thematic in its examination of central authors and periods without neglecting female writers. In this way it provides basic reference materials for students beginning the study of Portuguese literature and for a wider audience looking for general or specific information. The editors have made a principled decision to exclude both Brazilian and African literature which demand separate treatment. STEPHEN PARKINSON, CLAUDIA PAZOS ALONSO and T. F. EARLE are all members of the Sub Faculty of Portuguese at the University of Oxford. CONTRIBUTORS: Vanda Anastácio, Helena Carvalhao Buescu, Rip Cohen, T. F. Earle, David Frier, Luísa Gomes, Mariana Gray de Castro, Helder Macedo, Patricia Odber de Baubeta, Hilary Owen, Stephen Parkinson, Cludia Pazos Alonso, Juliet Perkins, Teresa Pinto Coelho, Phillip Rothwell, Mark Sabine, Claire Williams, Clive Willis. **The Phantom Death; And Other Stories** William Clark Russell, 2025-08-16. Reproduction of the original. The Antigonos publishing house specialises in the publication of reprints of historical books. We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage. Historical Dictionary of Portugal Douglas L. Wheeler, Walter C. Opello Jr., 2010-05-10. Portugal is a small Western European nation with a large distinctive past replete with both triumph and tragedy. One of the continent's oldest nation states, Portugal has frontiers that are essentially unchanged since the late 14th century. The country's unique character and 850 year history as an independent state present several curious paradoxes. As of 1974, when much of the remainder of the Portuguese overseas empire was decolonized, Portuguese society appeared to be the most ethnically homogeneous of the two Iberian states and of much of Europe. This in spite of the fact that Portuguese society had received during 2 000 years of infusions of other ethnic groups in invasions and immigration: Phoenicians, Greeks, Celts, Romans, Suevi, Visigoths, Muslims, Arab and Berber, Jews, Italians, Flemings, Burgundian, French, black Africans and Asians. Indeed, Portugal has been a crossroads despite its relative isolation in the western corner of the Iberian Peninsula between the West and North Africa, Tropical Africa and Asia and America. Since 1974, Portugal's society has become less homogeneous as there has been significant immigration of former subjects from her erstwhile overseas empire. The third edition of *Historical Dictionary of Portugal* greatly expands on the second edition through a chronology, an introductory essay, a bibliography and hundreds of cross-referenced dictionary entries on important persons, places, events and institutions as well as on significant political, economic, social and cultural aspects. *Rendezvous*, 1983.
