Alan M. Wald

Stefan Heym:

The Democratic Dream Regina U. Hahn, 2003 As the young editor of the New York based *Deutsches Volksecho* Stefan Heym had to reconcile his responsibility as a journalist with his personal animosity towards the Nazi State and the disillusionment felt by exiles during the Great Depression The result of this reconciliation which drew upon his experience as a writer in pre World War II Germany and the democratic ideals of his newly adopted country was a philosophy of democracy citizenship and public debate that guided Heym's literary and political activities through the rest of his life Identifying this philosophy as a precursor to Habermas theory of the public sphere *The Democratic Dream* traces the development of Heym's beliefs through his writings at the *Deutsches Volksecho* and its further evolution through Heym's early American novels *Hostages* *The Crusaders* and *Goldsborough*

Rebirth of a Culture Hillary Hope Herzog, Todd Herzog, Benjamin Lapp, 2008 After 1945 Jewish writing in German was almost unimaginable and then only in reference to the Shoah Only in the 1980s after a period of mourning silence and processing of the trauma did a new Jewish literature evolve in Germany and Austria This volume focuses on the re emergence of a lively Jewish cultural scene in the German speaking countries and the various cultural forms of expression that have developed around it Topics include current debates such as the emergence of a post Waldheim Jewish discourse in Austria and Jewish responses to German unification and the Gulf wars Other significant themes addressed are the memorialization of the Holocaust in Berlin and Vienna the uses of Kafka in contemporary German literature and the German and American Jewish dialogue as representative of both the history of exile and the globalization of postmodern civilization The volume is enhanced by contributions from some of the most significant representatives of German Jewish writing today such as Esther Dischereit Barbara Honigmann Jeanette Lander and Doron Rabinovici The result is a lively dialogue between European and North American scholars and writers that captures the complexity and dynamism of Jewish culture in Germany and Austria at the turn of the twenty first century

The Wandering Jew Stefan Heym, 1999 Beginning at the Beginning Heym introduces both Ahasverus and Lucifer as angels in free fall cast out of heaven for their opinions of God's order The story follows their respective oppositions through the rest of time Ahasverus defiant through protest rooted in love and a faith in progress and Lucifer rebellious by means of his biblically familiar methods

Trinity of Passion Alan M. Wald, 2011-04-01 The second of three volumes by Alan Wald that track the political and personal lives of several generations of U S left wing writers *Trinity of Passion* carries forward the chronicle launched in *Exiles from a Future Time* *The Forging of the Mid Twentieth Century Literary Left* In this volume Wald delves into literary emotional and ideological trajectories of radical cultural workers in the era when the International Brigades fought in the Spanish Civil War 1936-39 and the United States battled in World War II 1941-45 Probing in rich and haunting detail the controversial impact of the Popular Front on literary culture he explores the ethical and aesthetic challenges that pro Communist writers faced Wald presents a cross section of literary talent from the famous to the forgotten the major to the minor The writers examined
