Stefan And Olga:

Stefan & Olga Betsy Day,1991 A disastrous harvest forces Stefan to sell his beloved pet goose Olga but a practical application of his musical talent saves the day *Legacy of the Priest* Stephen P. Matava,2000-06-19 Our tale begins in a small town in Slovakia in the shadows of the High Tatra mountains where each day was a matter of survival The time was 1849 when the power of the Roman Catholic Church was declining A young unconventional priest was sent to a broken down abbey to restore the influence of the church He started the rebuilding process when he found a baby on the door step of the church The priest decided to raise the boy in the abbey and to prepare him for the priesthood when the boy fell in love with a young woman The priests battle between the love for the boy and the love for his God began He fought the church and his superiors for the sake of the young man who finally left his training for the priesthood and married the young lady they had five sons and one daughter raised in the shadow of the church Living under the yoke of the Austrian Hungary Empire became more of pure survival Trying to leave the country prior to the war became their primary goal The family moved to the United States one by one Each one scrimped and saved to bring the next one over World War I erupted and the youngest boy Stefan was drafted into the army of the empire before he could take his parents to America He fought in the war for which he has no sympathy and left his elderly parents in the hands of the hired help He spent two years on the Russian front where he was wounded After his recovery he was sent to the Alps where he was captured and spent two years as an American prisoner of war Stefan returned after he was released from prison and fell in love with the woman who had taken care of his mother and father His father died and Stefan took his mother his pregnant wife and came to America to be with his family Their first born was delivered on a steamer half way across the Atlantic ocean They finally landed in Boston to begin their life in the textile mills of Cohoes New York The story tells of the conflicts encountered in a rural area of eastern Europe The influence of the church and very strong family values which were brought to this country and are still a part of the lives of people who left the oppressions of Europe Life was hard but the family survived and this is what makes up the bulk of the population of our country today It tells of the power and force that our forefathers had and the determination to come to this country so we could be born free

Stefan & Olga ,1991 A disastrous harvest forces Stefan to sell his beloved pet goose Olga but a practical application of his musical talent saves the day The Dynastic Imagination Adrian Daub,2021-02-17 Adrian Daub's *The Dynastic Imagination* offers an unexpected account of modern German intellectual history through frameworks of family and kinship Modernity aimed to brush off dynastic hierarchical authority and to make society anew through the mechanisms of marriage siblinghood and love It was in other words centered on the nuclear family But as Daub shows the dynastic imagination persisted in time emerging as a critical stance by which the nuclear family's conservatism and temporal limits could be exposed Focusing on the complex interaction between dynasties and national identity formation in Germany Daub shows how a lingering preoccupation with dynastic modes of explanation legitimation and organization suffused German

literature and culture Daub builds this conception of dynasty in a syncretic study of literature sciences and the history of ideas engaging with remnants of dynastic ideology in the work of Richard Wagner mile Zola and Stefan George and in the work of early feminists and pioneering psychoanalysts At every stage of cultural progression Daub reveals how the relation of dynastic to nuclear families inflected modern intellectual history **BUILDING BLOCKS** Judith Akullian Ph.D.,2014-05

William David Kirkpatrick,2007-11-05 It was very different from most books that I have read I was captivated from the beginning and had to keep turning the pages to find out what happened next Judge Reviewer of Eternal City at the 12th Annual International Self Published Book Awards competition Eternal City also receiving perfect scores for its storyline What would any human being not give to be 20 or 25 for always A Russian prince of the nobility enters the world behind the looking glass of our reality a reality most of us are glad not to know He enters the ongoing war between Good and Evil as a conscript He meets angels and demons vampire hunters and vampires from super ancient civilizations long dead and forgotten He encounters a world of secret societies and of the hidden government of vampires which put him on trial He made a bargain for immortality and got what he wanted most he can live forever more or less but he also learns the hardest lesson there is to be learned you don t dance with the Devil for free Son, Daddy Has To Go Momcilo (Michael) Pupavac,2022-06-09 When young Novak Jovanovic returns to Serbia to find his bride he is full of optimism hoping things will go well and that the three week vacation will turn out as he imagined it might He believes that a girl of his own nationality will share his values and honour the same customs as he does He is sure that a relationship based on these common elements and on honesty will doubtless grow into a loving one And it seems his choice agrees with him as she flings her arms around him and assures him that she will indeed marry him After winning her parent s approval the happy couple plan their modest wedding and afterward they leave for a three day honeymoon Upon their return Novak flies back to Canada promising Lily that he will start the immigration process immediately After Lily is in Canada the young couple set out to make their life together While times are tight Novak understands that Lily is facing many adjustments including a pregnancy with its hormonal changes and physical challenges But even so he has occasional doubts about the strength of their relationship and an internal alarm bell begins to sound All too soon it becomes apparent that Lily is not committed to the same family values and customs that Novak is And over time life for Novak becomes something of a nightmare Son Daddy Has to Go documents Novak s misery as Lily exacts the pound of flesh that only she understands The memoir reveals his forty one years of sacrifice disappointment despair and incomprehension over the seeming mess of his life This memoir offers an in depth look at the often overlooked topic of male spousal abuse and its effect on one man s life And while it exposes the author s frequent emotional upheaval it also demonstrates the power of hope and faith in family and one s own integrity Novak stayed true to himself and out of the blue beauty and joy and love emerged
