

STEPHEN DECATUR

American Naval Hero, 1779-1820

ROBERT J. ALLISON

Stephen Decatur American Naval Hero 177918

Leonard F. Guttridge

Stephen Decatur American Naval Hero 1779-1820:

Stephen Decatur Robert J. Allison, 2005 After the War of 1812 Decatur moved to Washington to help direct naval policy His close friendships with James Madison John Quincy Adams and other political leaders soon made him a rising star in national politics He and his wife Susan made their elegant home on Lafayette Square near the White House a center of Washington society The capital and the entire nation were shocked in 1820 when Decatur died at the age of forty one in a duel with a rival navy captain Although he died prematurely Decatur played a significant role in the shaping of that national identity Jacket Dictionary Catalog of the History of the Americas New York Public Library. Reference Dept, 1961

Stephen Decatur Spencer C Tucker, 2013-12-15 Brave energetic intensely patriotic Stephen Decatur is America's first great naval hero after John Paul Jones His short and dramatic life is a story of triumph and tragedy told by the noted historian and author of some twenty books Spencer Tucker Decatur's raid into Tripoli Harbor in 1804 to burn the Philadelphia a prized U S warship captured when it ran aground during the Barbary Wars earned him international fame An admiring Horatio Nelson described the feat as the most bold and daring act of the age Explaining the tremendous impact Decatur's action had on the early U S Navy the author notes that it set a standard of audacity and courage for generations of future naval officers At the age of twenty five Decatur was promoted to captain becoming the youngest naval officer ever to attain that rank in the U S Navy The book fully examines Decatur's astonishing achievements as it chronicles his rapid rise in the Navy including his command of the Constitution and the United States during the War of 1812 when he captured the British frigate Macedonian off the Azores The book also recounts the cruise that many call his greatest triumph Decatur sailed into the Mediterranean with a nine ship American squadron to punish the dey of Algiers for taking American merchant shipping securing peace with Algiers and keeping other Barbary states quiescent Lionized by a grateful American public upon his return Decatur offered a toast at a reception in his honor that is now legendary Our country In her intercourse with foreign nations may she always be in the right but our country right or wrong In describing Decatur's life the author also examines Decatur's relationship with James Barron a Navy captain who fatally shot Decatur during a 1820 duel

Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971 New York Public Library. Research Libraries, 1979 *A Rage for Glory* James Tertius de Kay, 2010-05-11 Stephen Decatur was one of the most awe inspiring officers of the entire Age of Fighting Sail A real life American naval hero in the early nineteenth century he led an astonishing life and his remarkable acts of courage in combat made him one of the most celebrated figures of his era Decatur's dazzling exploits in the Barbary Wars propelled him to national prominence at the age of twenty five His dramatic capture of HMS Macedonian in the War of 1812 and his subsequent naval and diplomatic triumphs in the Mediterranean secured his permanent place in the hearts of his countrymen Handsome dashing and fearless his crews worshipped him presidents lionized him and an adoring public heaped fresh honors on him with each new achievement James

Tertius de Kay is one of our foremost naval historians In *A Rage for Glory* the first new biography of Decatur in almost seventy years he recounts Decatur s life in vivid colors Drawing on material unavailable to previous biographers he traces the origins of Decatur s fierce patriotism My country right or wrong chronicles Decatur s passionate love affair with Susan Wheeler and provides new details of Decatur s tragic death in a senseless duel of honor secretly instigated by the backroom machinations of jealous fellow officers determined to ruin him His death left official Washington in such shock that his funeral became a state occasion attended by friends who included former President James Madison current President James Monroe Chief Justice John Marshall and ten thousand more Decatur s short but crowded life was an astonishing epic of hubris romance and high achievement Only a handful of Americans since his time have ever come close to matching his extraordinary glamour and brilliance

Our Country, Right Or Wrong Leonard F. Guttridge,2006-10-17 An in depth profile of Commodore Stephen Decatur chronicles the epic exploits and illustrious military career of the American naval hero both in Tripoli during the Barbary Wars and during the War of 1812 as well as his diplomatic dealings with the Islamic powers of the Mediterranean

Stephen Decatur Charles River Editors,2019-10-12 Includes pictures Includes a bibliography for further reading

Our country right or wrong Stephen Decatur Between the Revolutionary War and the Civil War the United States engaged in several wars that have mostly been overlooked The War of 1812 is one of America s forgotten conflicts and the stalemated nature of the war which resolved virtually none of either side s war aims has also ensured that it is often given merely a cursory overview Great Britain as the leader of several coalitions of conservative European countries trying to isolate and snuff out the revolutionary spirit and the ambitions of Napoleon had been at war with France almost continuously since 1792 Under President Thomas Jefferson 1801 1809 and James Madison 1809 1817 the United States tried to steer a course that would keep it from being drawn into the European war and defend its neutrality on the high seas However both Britain and France wanted to hurt the other side economically by keeping goods out of their enemy s hands Thus they did not faithfully respect the rights of neutral nations The British government in 1807 had issued the Orders in Council which enforced a naval blockade against France and with a shortage of seamen to man the Royal Navy Britain also felt justified in stopping and sometimes firing on ships flying the American flag in the name of apprehending escaped British sailors In the same vein American shipping was disrupted by piracy across the globe especially in the Mediterranean leading to multiple conflicts known as the Barbary Wars Americans had few things to celebrate during the Barbary Wars or the War of 1812 but one of them was the growing prestige of the U S Navy and among those who were instrumental in its development few were as influential as Stephen Decatur Jr Decatur had an impact on nearly every war America fought in between the 1780s until his death in 1820 and his stardom ensured that he was a fixture among Washington D C s elite in his own lifetime As with John Paul Jones during the American Revolution Decatur s activities helped instantly associate his name with the fledgling country s success at sea

Stephen Decatur The Life and Legacy of the Youngest

Navy Captain in American History chronicles the various roles he played for the Navy and how he became one of America's most memorable naval heroes. Along with pictures depicting important people, places, and events, you will learn about Decatur like never before.

The Life and Character of Stephen Decatur Samuel Putnam Waldo, 1821 **The Life and Character of Stephen Decatur; Late Commodore and Post-captain in the Navy of the United States, and**

Navy-commissioner S. Putnam 1780-1826 Waldo, 2023-07-18. Published in 1821, this biography tells the story of one of the most celebrated naval heroes in American history. Stephen Decatur fought in the Barbary Wars and the War of 1812 and was known for his courage, leadership, and patriotism. This book offers a detailed portrait of Decatur's life and career and sheds light on the early years of the United States Navy. This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America and possibly other nations. Within the United States, you may freely copy and distribute this work as no entity, individual, or corporate, has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant. American Hero Thomas

Williams, 2011-01. The National Intelligencer Newspaper wrote on March 23, 1820: "A hero has fallen. Commodore Stephen Decatur, one of the first officers of our Navy, the pride of his country, the gallant and noble-hearted gentleman, is no more. He expired a few minutes ago of the mortal wound received in the duel yesterday. Of the origin of the feud which led to this disastrous result, we know not; but what rumor tells. The event we are sure will fill the country with grief. Mourn, Columbia! For one of the brightest stars is set a son without fear and without reproach in the freshness of his fame, in the prime of his usefulness, has descended into the tomb. Gentlemen, please remember we have yet to fight for our independence. Yes, we may believe that we won the conflict with the English in our successful struggle for independence, but in truth we did not. Our fight with England has continued all these years with the major battle yet to be fought. Ben Franklin observed: 'The citizens of the floundering republic were faced with battling over-whelming forces. Americans needed a hero, and Stephen Decatur was a naval hero; they needed to lift their spirits up.' The British naval giant, Admiral Lord Nelson, recognized that Stephen Decatur had accomplished the impossible and named the sinking of the USS Philadelphia the most bold and daring act of the age. Captain Stephen Decatur captured the HMS Macedonian as only the second Royal Navy vessel of the War of 1812 to surrender to Americans. More unique was the Macedonian was the only British ship that was defeated and captured to be refitted and commissioned in the American Navy during the war. She was commissioned as the USS Macedonian. The Americans had proven they could defeat England at sea with superior seamanship and gunnery. Captain Stephen Decatur was an American war hero; he was the toast of the town. By Thomas Williams.
