Stephen F Austins Legacies:

Stephen F. Austin's Legacies Walter Ewing Long, 1970 This is a brief history compiled with no thought of improving or adding anything to the unparalleled research and writings of others on the life of Stephen F Austin but with a deep desire to present the compiler s gratitude for an unexcelled character of history Amazon com *Stephen F. Austin* Charles River Charles River Editors, 2018-07-19 Includes pictures Includes contemporary accounts Includes online resources and a bibliography for further reading The independence of Texas is recognized Don t you see it in the papers Stephen F Austin s last words Texas has a unique history among the 50 states that comprise the United States of America and much of that is due to the nature of the men who brought about its independence Of them few are as famous or more important than Stephen F Austin Born in the very shadow of the Founding Fathers in Virginia Austin seemed destined from birth to do something special Certainly his father Moses saw potential in the boy training him up to take the lead in whatever situation he found himself in and various life experiences transformed Stephen Moses provided his son with plenty of the difficulties including bankruptcy business losses and family squabbles all by the time his son was 20 years old Ultimately Moses bequeathed his son the chance to become an empresario a 19th century leader of American pioneers in Texas Austin in turn shaped the future of Texas in a way that no other leader ever had the opportunity to do and by carefully choosing men like himself politically religiously and ethically he helped create an independent nation and future state known for its rugged individualism and self determination Unfortunately he also created a place where slavery America s great shame was allowed to flourish for more than 40 years and a place where people of color would struggle for generations to receive equality under the laws many of which he either wrote or inspired Ironically the man whose name is so synonymous with Texas was not involved in the most famous battles that secured its independence This actually ensured that he survived when so many of his contemporaries died but he still lost his run for the presidency of Texas and instead had to accept an appointment as the Republic s first Secretary of State Ultimately it made little difference in the end for he served only two months before he died of pneumonia just after his 43rd birthday but despite his premature death what cannot be questioned is how profound an impact Austin had on Texas Mexico and the United States over the course of several decades Stephen F Austin The Life and Legacy of the Father of Texas looks at how he became one of the Southwest s most important figures Along with pictures of important people places and events you will learn about Austin like never before **Austin's Flower Hill Legacy: A Remarkable Family & a Sixth Street Wildscape** Rosa Walston Latimer, 2021 For nearly a century and a half the Smoot family cooperated with nature to create the vibrant Texas wildscape of the Flower Hill Estate on West Sixth Street But the generosity of spirit that cultivated that sanctuary extends beyond the iron fence surrounding the property Institutions like the Central Presbyterian Church the Austin Presbyterian Theological Seminary the Austin American Statesman the Texas state capitol The University of Texas and Travis and Austin High Schools all owe an incalculable debt to Flower Hill residents

Author Rosa Latimer traces the positive legacy of Flower Hill and the influential Austin family who lived there Back cover
