Russell J.

Kendzior, 2017-09-18 When watching the evening news you can be led to believe that most slip and fall claims are bogus and nothing more than a scam designed to fleece business owners and the insurance industry for money But not all Plaintiffs are scam artists and not all victims are seeking to cash in on their injury Falls can affect each of us The next victim could be your mother your brother your spouse or child and oh yes even you The truth of the matter is each year millions of personal injury lawsuits are filed by victims of a slip trip and fall accidents most of which are settled out of court However over the past decade there has been a noticeable rise in the average settlement as well as jury verdicts As an expert witness Russell J

Kendzior has been retained in more than 700 slip trip and fall lawsuits and has now compiled over 50 of his top cases in *Floored*. Rather than debate the truth behind slip trip and fall litigation, Kendzior sets the record straight and provides the reader with a behind the curtain view of the people filing these lawsuits and the companies being sued. This book is a great resource that explains what can be done to prevent the injury and thus the lawsuit through the eyes of a safety expert and stories of real world victims.

**Physical Education in the Early Years** Pauline Wetton, 2013-10-31. This book begins with an overview of the first months of a child's life with an indication of the major movement milestones which all children should reach before they enter the pre school phase. The rest of the book gives information about developing children's physical skills in dance, games and gymnastics throughout the pre school and infant school phase. It also addresses many of the contemporary issues surrounding the delivery of the PE curriculum in schools, including the assessment of pupils' performance. This book will help students, teachers and curriculum leaders deliver a sound PE education to children aged 3-7 and will also prove useful to all those involved in early years education. Pauline Wetton is currently a lecturer in education and an assistant director of sport at the University of Durham. *The Teaching and Learning in the First Three Years at School* series is edited by Joy Palmer.
