Even if you've never watched a minute of professional wrestling, you are living in Vince McMahon's world. In his four decades as the defining figure of American pro wrestling, McMahon was the man behind Dwayne "The Rock" Johnson, Stone Cold Steve Austin, John Cena, Dave Bautista, Bret "The Hitman" Hart, and Hulk Hogan, to name just a few of the mega stars who owe him their careers. For more than twenty-five years, he has also been a performer in his own show, acting as the diabolical Mr. McMahon, a figure who may have more in common with the real Vince than he would care to admit. Just as importantly, McMahon is one of Donald Trump's closest friends, and Trump's experiences as a performer in McMahon's programming were in many ways a dress rehearsal for the 45th President's campaigns and presidency. McMahon and his wife Linda are major Republican donors. Linda was in Trump's cabinet. McMahon makes deals with the Saudi government worth hundreds of millions of dollars. And for generations of people who have watched wrestling, he has been a defining cultural force. Accessible to anyone, regardless of wrestling knowledge, *Ringmaster* is an unauthorized, independent investigative chronicle of Vince McMahon's origins and rise to supreme power. It is built on exclusive interviews with more than 150 people, from McMahon's childhood friends to those who accuse him of destroying their lives. Far more than just an athletics or entertainment biography, *Ringmaster* uses Vince's story as a new lens for understanding the contemporary American apocalypse. Author's website
