Stewardship Serving In Gods World:

The Stewardship Companion: Lectionary Resources for Preaching William H. Willimon, David N. Mosser, 2007

Generosity, Stewardship, and Abundance Lovett H. Weems Jr., Ann A. Michel, 2021-05-09 God's purpose in calling us to lives of faithful stewardship and generosity isn't merely to sustain the church. Rather, the continued existence of the church is essential to sustain the powerful transformative message of our faith. Lovett H. Weems Jr. and Ann A. Michel present the Bible's redeeming and transforming message of generosity, stewardship, and abundance in this comprehensive guide to Christian financial responsibility. The book provides practical advice to pastors and church leaders tasked with funding ministry and inspiring others toward responsible stewardship and greater generosity. It addresses church fundraising, stewardship campaigns, budgets, financing capital needs, endowments, and innovative approaches to economic sustainability. The book integrates the theological and practical dimensions of finance to empower congregational leaders to think critically about stewardship from a Christian perspective, help them use their personal and congregational possessions in the light of faith.

Vallet, 1994 Now thoroughly revised with significant changes in chapters dealing with faith and money and environmental issues, Vallet's inspirational study teaches Christians how to gain a sense of purpose, how to properly use resources, talents, and money, and how to reach out with compassion for the welfare of others and for the planet.

Stewards of the Earth Christianity Today, 2022-03-30 Fifty years of evangelical thought on creation care: Evangelicals have a complex relationship with environmentalism. Some lament the church's apparent disinterest in humanity's negative impact upon the earth. Others denounce environmentalism as a distraction from the church's mission. In the face of polarization over the issue, how should evangelicals steward creation well? *Stewards of the Earth* collects five decades of articles from Christianity Today that display the diversity and development of evangelical perspectives on creation care. Some articles address the concerns evangelicals have over cooperating with the broader environmentalist movement or lay out positive ways to navigate or overcome these

hesitations Other articles present constructive approaches to creation care Readers will gain a nuanced view of evangelical thought over the decades With a new introduction by Loren Wilkinson and contributions from writers like Bill McKibben Ronald Sider Leslie Leyland Fields and Andy Crouch these essays preserve the wisdom of the past to provide insight for the future *God Loves Your Work* Larry Peabody, 2022-03-03 If you know God loves your work you can as Paul put it work at it with all your heart But too often even Christians find it hard to engage fully with what occupies them for hours every day This book will help you relate your work to God's eternal kingdom purposes Here you will find not just one or two but several biblical reasons for getting up and going to work During your lifetime you will spend perhaps 100 000 hours working in paid or unpaid work Will you see spiritual significance in those hours In the end will they really matter These easy to read chapters will help you view your daily work within a new and much larger perspective For example what if you were to begin seeing your work as a worship offering that God gladly receives Or what if you were to discover how he intends to use your work to further your own spiritual growth Get set to move from Thank God it's Friday to Wonderful it's Monday again

How to Lead and Still Have a Life H. Dale Burke, *Stewardship* United States Conference of Catholic Bishops, 2023-10-18 As disciples of Jesus Christ we must be good stewards of the gifts God has given us Stewardship is all encompassing from an individual's gesture of kindness to global communities working for peace and justice In this pastoral letter the United States Conference of Catholic Bishops challenges the faithful to take up the mantles of stewardship and discipleship Stewardship provides a blueprint based on the Gospels for building good stewards of every age and level Each section ends with questions for reflection and discussion ideal for group or individual study
