Weems Jr., Ann A. Michel, 2021-05-09 God's purpose in calling us to lives of faithful stewardship and generosity isn't merely to sustain the church Rather the continued existence of the church is essential to sustain the powerful transformative message of our faith Lovett H Weems Jr and Ann A Michel present the Bible's redeeming and transforming message of generosity stewardship and abundance in this comprehensive guide to Christian financial responsibility The book provides practical advice to pastors and church leaders tasked with funding ministry and inspiring others toward responsible stewardship and greater generosity It addresses church fundraising stewardship campaigns budgets financing capital needs endowments and innovative approaches to economic sustainability The book integrates the theological and practical dimensions of finance to empower congregational leaders to think critically about stewardship from a Christian perspective help them use their personal and congregational possessions in the light of faith **Politics Strangely Warmed** Gregory R. Coates, 2015-02-02 For centuries Christians have wrestled with how to witness faithfully to the peaceable kingdom of God while also living as citizens within an earthly nation state Differing theological traditions have offered wide ranging contributions to the field of political theology yet the Wesleyan tradition has too often remained largely silent In this volume Coates turns to two key figures within his own Wesleyan tradition John Wesley and B T Roberts in order to construct a distinctively Wesleyan political theology He argues that embedded within Wesley's theology were the seeds of a radically people centered egalitarian politic despite the fact that Wesley himself never fully realized these implications himself Ultimately however the populism of B T Roberts and his work to organize the Farmer's Alliance of the late nineteenth century would come to represent one concrete historical manifestation of Wesley's theology in the public sphere Here is a book not merely for academics interested in the Wesleyan tradition or political theology but also for all followers of Christ who desire to see the church model the ethic of Christ before the worldly powers in the midst of this saeculum **The Christian Advocate**, 1924 *The Nature of the Religious Right* Neall W. Pogue, 2022-04-15 In *The Nature of the Religious Right* Neall W Pogue examines how white conservative evangelical Christians became a political force known for hostility toward environmental legislation Before the 1990s this group used ideas of nature to help construct the religious right movement while developing theologically based eco friendly philosophies that can be described as Christian environmental stewardship On the twentieth anniversary of Earth Day in 1990 members of this conservative evangelical community tried to turn their eco friendly philosophies into action Yet this attempt was overwhelmed by a growing number in the leadership who made anti environmentalism the accepted position through public ridicule conspiracy theories and cherry picked science Through

analysis of rhetoric political expediency and theological imperatives The Nature of the Religious Right explains how ideas of nature played a role in constructing the conservative evangelical political movement why Christian environmental stewardship was supported by members of the community for so long and why they turned against it so decidedly beginning in the 1990s *Herald of Gospel Liberty* Elias Smith,1921 *Strategic Weapons Proposals* United States. Congress. Senate. Committee on Foreign Relations,1981 *The Christian Century* ,1925 **How to do Mission Action Planning** Mike Chew,Mark Ireland,2016-06-16 Gives the reader the benefit of many years experience of putting MAP into practice This is a must read for anyone using MAP JOHN DUNNETT DIRECTOR OF STRATEGY AND OPERATIONS AT THE CHURCH OF ENGLAND EVANGELICAL COUNCIL How to Do Mission Action Planning SPCK 2009 was the first book to appear on the MAP process at a time when it was beginning to have a significant impact In this fully revised and expanded edition the authors offer further critical evaluation and theological reflection by drawing on the experiences of people who have been using the MAP process in different contexts from their own Fr Damian Feeney parish priest and Catholic Missioner of Lichfield diocese Canon David Banbury leader of Parish Mission Support Blackburn diocese The Rt Revd Dr Alan Smith Bishop of St Albans Dr Stephen Hance Canon Missioner of Southwark diocese Linda Rayner the United Reformed Church co ordinator for Fresh Expressions *The Congregationalist* ,1921
