Petry, 2025-06-23 Fire investigator and former legionnaire Jean Sarre is called to the scene of an accident and discovers that the wrecked car was not involved in an accident at all but was the target of an arson attack This is the beginning of an investigation that takes on ever greater proportions The involvement of a not always very diligent detective a corrupt building contractor several petty criminals an unscrupulous doctor and some gorgeous women makes for an explosive mix **Guns in the Hands of Artists** Jonathan Ferrara, 2016-11 A powerful visual exploration of guns and gun violence in America **Primer** Aaron Smith, 2016-10-06 In his third poetry collection Primer Aaron Smith grapples with the ugly realities of the private self in which desire feels more like a trap than fulfillment What is the face we prepare in our public lives to distract others from our private grief Smith s poetry explores that inexplicable tension between what we say and how we actually feel exposing the complications of intimacy and the limitations of language to bridge those distances between friends family members and lovers What we deny in the end may be just what we actually survive Mortality in Smith s work remains the uncomfortable foundation at the center of our relationship with others to faith to art to love as we grow older and ultimately to our own
