Kathleen Hann

Still Telling:

Still Telling It As It Was (More Memories of the Black Country) Kathleen Hann, 2005 The second part of Kathleen Hann's autobiography *Still Telling It As It Was* sees us through her early married life in the Black Country from 1951 to her move to Telford in 1969. With her husband Peter just demobbed they face financial hardship due to low wages and high housing costs. Bringing up three children at the time Kathleen shows her love, care, mettle and great skills with make do and mend which have been passed on by her mother. Unwittingly renting a room to a prostitute and her pimp buying a war bombed house and getting a failing public house back on its feet are just a few of the trials and tribulations which Kathleen and Peter face in this story. Tales of terribly hard physical labour for both of them which left permanent physical and mental scars are retold with chilling accuracy. The progress of her son's major illness is also described with great passion and dignity especially considering the way she was treated by some of the medical profession at the time. There are lighter notes though the DIY chimney sweeping saga, the Golden Child who stuffed her knickers down the drains and Kathleen's own very short fuse to an exploding temper. These all bring very different and sometimes highly amusing insights into this very closely knit and loving family. A vital document for any social historian or a grippingly real story of hardship in the Black Country of the 1950s and 60s, this book is a prime candidate for anyone's must read list. **Tell Me an Ending** Jo Harkin, 2022-03

About a tech company that deletes unwanted memories, the consequences for those forced to contend with what they tried to forget and the dissenting doctor who seeks to protect her patients from further harm. **T-Shirt Swim Club** Ian

Karmel, Alisa Karmel, PsyD, 2024-06-11 NATIONAL BESTSELLER Comedian Ian Karmel with help from his sister Dr Alisa Karmel opens up about the daily humiliations of being fat and why it's so hard to talk about something so visible. As charming and funny as it is poignant and thoughtful. Roxane Gay author of *Hunger: A Memoir of My Body*. Ian Karmel has weighed eight pounds and he has weighed 420 pounds and right now he's almost exactly in between the two but this book is not a weight loss book. It's about being a fat person in a skinny world. It's about gym class and football practice, about chicken wings and juice cleanses, about airplane seats and roller coasters, about fat jokes and Jabba the Hutt, about crying in the Big and Tall section and the joys of being a sneakerhead, about prediabetes and gout and about realizing that you actually don't want to eat yourself to death and hoping it's not too late. This book also includes a What Now section from Ian's sister Alisa who herself cycled through so many fad diets that she eventually pursued a master's in nutrition and a doctorate in psychology with the goal of changing the contemporary narrative around fatness. Ian and Alisa Karmel grew up fat. As kids they never talked about it. They were too busy fighting over the last SnackWell's Devil's Food cookie. Now, decades later, having both turned into fat adults who eventually figured out how to get their health under control, they are finally ready to unpack the impact that their weight has had on them. For them, the T-Shirt Swim Club is meant to be a place of support for anyone who struggles with weight issues. A place of care and candor, free of shame. A place to not deny or avoid the emotions you feel, the

experiences you go through the embarrassment the anger the resentment T Shirt Swim Club is about being a fat person and how the world treats fat people but also an acknowledgment that maybe it doesn't always have to feel quite so lonely His Love Was All I Needed T. After graduation, he attended Trinity Evangelical Divinity School. From that school, he received a Master's of Divinity degree and a few years later a Doctor of Ministry. He has served churches in Oregon, Indiana, and California. While serving those churches, he instituted home Bible studies, believing them to be essential for Christian growth. Dr. Newman has three sons: Eric, Andy, and Brian, who live in different communities around America. *The Truth About The Lie* is a Bible study designed to promote Christian growth in individuals through personal study or in group home Bible studies. According to Jesus, Satan authored *The Lie*. John 8:44. Jesus, who is *The Truth*, came to confront *The Lie* and its effects upon the world.
