Still There Clare:

Still There, Clare Yvonne Prinz, 2005 Enter the world of almost 13 year old Clare and her best friend Elsa Clare and Elsa are opposites Clare's idea of style is a Superman T shirt and torn jeans while Elsa sports outfits with matching accessories Clare is a long distance runner who can't always find the right words while Elsa walks slowly but talks fast Clare's sense of humour is dark and ironic Elsa's is bright and witty But the most unusual thing about Clare and Elsa is the fact that Elsa is imaginary Clare invented her years ago when she was the lonely daughter of two career track lawyers Now as Clare turns 13 her mother has quit her job to become a stay at home parent I think she follows other mothers around the supermarket and buys whatever they buy scoffs Clare Clare decides that it's finally time to try life without Elsa But will Elsa let her go *John Clare's Romanticism* Adam White, 2017-07-19 This book offers a major reassessment of John Clare's poetry and his position in the Romantic canon Alert to Clare's knowledge of the work of his Romantic contemporaries and near contemporaries it puts forward the first extended series of comparisons of Clare's poetry with texts we now think of as defining the period in particular poems by Robert Burns William Wordsworth Lord Byron and John Keats It makes fully evident Clare's original contribution to the aesthetic culture of the age by analysing how he explores a wide range of concerns and preoccupations which are central to and especially privileged in Romantic period poetics including fancy the sublime childhood ruins joy poesy and a love lyric marked by a peculiar self consciousness about sincere expression At the heart of this book is the claim that the hitherto under scrutinised subjective stances transcendent modes and abstract qualities of Clare's lyric poetry situate him firmly within and as fundamentally part of Romanticism at the same time as his writing constitutes a distinctive contribution to one of the most fascinating eras of English literature **Peterson's Magazine** ,1873 Good things, for the young of all ages ,1876 **Frank Leslie's Lady's Magazine** Frank Leslie, 1869 *History & Folklore of the Barony of Clare (Co.
