Stillwells Mission To China:

Stilwell's Mission to China Charles F. Romanus, Riley Sunderland, 1968 *Stilwell's Mission to China* Joseph Warren Stilwell, 1953 *Stilwell's Mission to China* Joseph Warren Stilwell, 1953 *Stilwell's Mission to China* Charles Romanus, Riley Sunderland, 2015-08-08 This volume is centered on the performance of Lt Gen Joseph W Stilwell Stilwell was chief of staff to Chiang Kai shek in Chiang s capacity of commander in chief of China considered as an Allied theater he administered U S lend lease aid to China and he commanded the CBI Theater Chiang put him in charge of his force three Chinese armies in Burma during the ill fated campaign of 1942 and this campaign insofar as it involved his authority is therefore described Reading the history of the China Burma India Theater will be an eye opener and a lesson to those who in the future have to deal with allies in far distant lands about whom so much should be known and so little is Contemporary history is limited in its vision as indeed is all history insofar as the records are limited This history is no exception the records used are mainly of U S Army origin However time flies and experience of the past is essential to wisdom in the future To wait for additional evidence might deny pertinent information to those who need it now Moreover the records turned up by the authors of this book are exceptionally rich A careful reading of this volume will emphasize the necessity on the part of the leading participants in a combined venture to understand the characteristics and over all objectives of the nations as well as the individuals concerned in the endeavor If such an understanding is present and if due weight is given it by those involved in negotiations as well as in the execution of the plans the better will be the result The degree to which this understanding was achieved by the leading participants is left for the reader to decide Decisions to be sound must perforce be based on up to date facts The danger of making them from information supplied from not too well informed sources and without information that could readily have been brought to bear is self evident *Stilwell's Mission to China* Charles F. Romanus, Riley Sunderland, 1953 *The American Military Mission to China, 1941-1942* William G. Grieve, 2014-01-23 This is an overview of America s first effort in military aid to a foreign sovereign nation at a time when Europe was engaged in open warfare Asia was facing a series of military confrontations and most of the world thought global conflagration was inevitable The work offers insight into the impact of war in Burma a backwater of World War II and examines events that result when great powers go to great lengths to further their own goals The work also examines disagreements among China the United Kingdom the United States and Japan and shows the evolution of aid provision to another country and changing expectations as new information arises **Stilwell's Mission to China** Charles F. Romanus, Riley Sunderland, 2002-04-01

Stilwell and the American Experience in China Barbara W. Tuchman, 2017-01-24 Barbara W Tuchman won her second Pulitzer Prize for this nonfiction masterpiece an authoritative work of history that recounts the birth of modern China through the eyes of one extraordinary American General Joseph W Stilwell was a man who loved China deeply and knew its people as few Americans ever have Barbara W Tuchman s groundbreaking narrative follows Stilwell from the time he arrived

in China during the Revolution of 1911 through his tours of duty in Peking and Tientsin in the 1920s and 30s to his return as theater commander in World War II when the Nationalist government faced attack from both Japanese invaders and Communist insurgents. Peopled by warlords, ambassadors and missionaries, this classic biography of the cantankerous but level-headed Vinegar Joe sparkles with Tuchman's genius for animating the people who shaped history. Praise for Stilwell and the American Experience in China, Tuchman's best book so large in scope, so crammed with information, so clear in exposition, so assured in tone that one is tempted to say it is not a book but an education. The New Yorker. The most interesting and informative book on U.S. China relations, a brilliant, lucid and authentic account. The Nation. A fantastic and complex story finely told. The New York Times Book Review. China-Burma-India Theater Charles F. Romanus, Riley

Sunderland, 1999-03-01 CMH Pub 9-1 United States Army in World War 2 Provides an account of General Joseph W. Stilwell's work with the Chinese National Government in the execution of his orders from Washington to support China and to assist in improving the combat efficiency of the Chinese Army.
