Stilwell The American Experience In C:

The American Military Mission to China, 1941-1942 William G. Grieve, 2014-01-23 This is an overview of America's first effort in military aid to a foreign sovereign nation at a time when Europe was engaged in open warfare Asia was facing a series of military confrontations and most of the world thought global conflagration was inevitable The work offers insight into the impact of war in Burma a backwater of World War II and examines events that result when great powers go to great lengths to further their own goals The work also examines disagreements among China the United Kingdom the United States and Japan and shows the evolution of aid provision to another country and changing expectations as new information arises

George C. Marshall: Soldier-Statesman of the American Century Mark A. Stoler, 2021-06-25 In a career that paralleled the emergence of the United States as an international power Marshall was a participant in every significant event contributing to the nation's status as a superpower From his first combat duty in the Philippines at the turn of the century through both World Wars into the cold war and the Korean conflict Marshall was a key figure in devising and implementing US military strategies and foreign policies Stoler emphasizes the years 1939-1951 when Marshall served as World War II army chief of staff special presidential representative to China secretary of state at the beginning of the cold war and Korean War secretary of defense The book is unique in its merging of military and diplomatic history with biography It includes a chronology and a bibliographic essay Drawing on more detailed works supplemented by his sound judgments based on his own careful research Stoler has successfully caught the spirit of the man and his work Forrest C. Pogue official biographer of Marshall former director of the George C. Marshall Foundation Useful fascinating and very informative Stoler illuminates many historical debates and events David Eisenhower author of *Eisenhower at War 1943-1945* A very readable book based on the most recent scholarship and presented in a way that students can understand Michael J. Hogan Ohio State University In a skillful work of compression and synthesis Mark A. Stoler sets himself an ambitious dual task to render comprehensible the life of an individual almost no one knew well and to ground this life firmly in the context of the revolution in American foreign relations during the first half of the twentieth century The enterprise succeeds admirably partly because Marshall's career lends itself to such treatment and partly because Stoler demonstrates a flair for selecting the essential from the immaterial H. W. Brands *The American Historical Review* This is the best available one volume biography of this distinguished man Stoler demonstrates Marshall's intellectual growth as he came to understand international politics and the limits of power Daniel R. Beaver *The Historian* A richly researched and balanced assessment Stoler's insights into Marshall are many and valuable He perfectly captures his sterling integrity and the extent of his exemplary nonpartisanship this is the best single volume about a true hero Barry F. Machado *The Journal of Military History* An excellent book There have been short one volume biographies of Marshall before but this is the best of the lot Among the strengths of Stoler's treatment are his careful exposition of the factors in Marshall's youth crucial to the formation of his character the importance of his various experiences with the

National Guard the Plattsburg volunteers and the Civilian Conservation Corps in conditioning his faith in citizen soldiers and the formative role of his professional education at the Command and General Staff School at Fort Leavenworth and the Infantry School at Fort Benning I B Holley Jr The Journal of American History Stoler is able to present the issues faced by the new chief of staff lucidly and with great insight In sum Professor Stoler with style and verve has produced an excellent summary volume on George C Marshall and his times the book is insightful readable provocative and manageable I highly recommend it Douglas Kinnard Naval War College Review T he book breaks through the general s deliberately cultivated stoic persona and demonstrates the humanity that made him so admired in public and private Stoler s work stands as a model of its genre a concise study that incorporates themes from the large body of current scholarship in the field without ever losing sight of its central character Stoler captures the complexity of the man and his times in a book that is a pleasure to read Donald A Ritchie The Oral History Review This is a useful volume for those who lack the time to read all four volumes of Forrest Pogue s biography Gaddis Smith Foreign Affairs [The Letters and Diaries of Colonel John Hart Caughey, 1944-1945](#) Roger B. Jeans, 2018-06-18 Colonel John Hart Caughey a US Army war plans officer stationed in the Chinese Nationalist capital of Chungking was an eyewitness to the battle for China in the final months of the war 1944 45 and beyond when he rose to become head of the Theater Planning Section In frequent letters to his wife as well as in several diaries he chronicled the US military s role in wartime China especially his life as an American planner when he was subject to military censorship Previous accounts of the China Theater have largely neglected the role of the War Department planners stationed in Chungking many of whom were Caughey s colleagues and friends He also penned colorful descriptions of life in wartime China which vividly remind the reader how far China has come in a mere seventy odd years In addition his letters and diaries deepen our understanding of several of the American leaders in this Asian war including China Theater commander Albert C Wedemeyer Fourteenth Air Force chief Claire L Chennault former commander of the Flying Tigers US ambassador to wartime China Patrick J Hurley famed Time Life reporter Theodore White OSS director William Wild Bill Donovan Louis Mountbatten Supreme Commander of the Southeast Asia Command and Jonathan Wainwright who was in command when the American forces in the Philippines surrendered in 1942 and who stayed for a few days at Caughey s Chungking residence on his way home after several years as a Japanese POW in Manchuria In his writings Caughey also revealed a more appealing side of Wedemeyer whose extreme political opinions in the postwar era probably cost him the post of US Army chief of staff By making Caughey a member of his planning staff Wedemeyer made possible an extraordinary experience for the young colonel during the war Caughey also rubbed shoulders with Nationalist leader Chiang Kai shek and traveled to the battlefields in Southeast China with the commander in chief of the Nationalist Army He Yingqin along with a number of other Chinese and American soldiers Following the Japanese surrender Caughey chronicled the resumption of the power struggle between the Chinese Nationalists and the Chinese Communists largely postponed during the conflict Shortly after the war he

had a brief encounter with the number two Communist leader Zhou Enlai whom he was to get to know much better during the Marshall Mission to China
