The Temple and the Grail W. F. Veltman, 2021-04-28 In the popular imagination the Holy Grail part of the legendary romance of King Arthur belongs to the realm of myth The Knights Templar also have a legendary enigmatic aspect Despite the immense volume of historical research available plausible explanations to the mystery at the core of their practices have yet to be revealed By studying these two themes side by side and showing their inner relationship Veltman reveals valuable new perspectives On the one hand he demonstrates that the poetic imagination of the Grail mystery has its origin in concrete historical events and on the other hand that the true history of the Knights Templar is essentially esoteric Combining historical research with insights gained from the work of Rudolf Steiner Veltman presents an impressive survey of the subject beginning with the pre Christian Mysteries and ending with a vision of Michaelic Christianity He analyses the significance of the holy city of Jerusalem the Temple of Solomon the Temple Legend the Grail Temple the Rosicrucians the Templars gold and the fraught question of evil In addition he sketches the continuation or metamorphosis of the Grail and Temple impulses into the future including the critical balancing role of Europe between East and West To become effective this important European task which he says is continually being thwarted must be properly understood within the realm of human consciousness
