West End Television are planning a new situation comedy series to be called *The Strutters*. From the outset things go horribly wrong with the new series. Odd accidents if they are accidents remove one by one the sharp tongued Production Assistant the self effacing script writer the hearty Floor Manager. Death even takes from us the revolting Yorkshire terrier Cocky who's the idol of the indestructible Dame Aurelia Howarth theatrical star for fifty years. There's no discernible pattern in all this but Simon Brett's regular sleuth the bit player Charles Paris is confidently on the trail of another mass murderer. But the bizarre solution brilliantly led up to surprises even him.

But with other members of the production crew dying seemingly accidentally Charles just might have a serial killer to chase.
