Stuck Todd W. Ferguson, Josh Packard, 2022-05-10 Stuck is a guide for understanding how and why a traditional approach to ministry does not align with the modern realities facing pastors congregations and seminaries More than simply describing findings from their firsthand research however Todd W Ferguson and Josh Packard offer a new understanding of why professional ministry can be so alienating today Stuck shifts the dominant narrative around calling vocation and ministry away from a focus on individual traits and characteristics of pastors and congregational leaders and toward a more structural understanding of the social forces that impact modern ministry The authors focus on the nature of calling the need for modern flexible congregational supports and a different approach to training professional clergy Stuck lets pastors who feel stuck know that they re not alone they re not crazy and it s not their fault It helps congregations be more supportive of their clergy And it participates in the conversation for

reshaping seminary training and professional development *Stuck Bible Study Leader's Guide* Jennie Allen, 2014-01-14 So many of us live stuck Stuck trying to seem perfect Stuck in the sadness Stuck feeling numb Stuck pursuing more stuff to make us happy Stuck in something we can't even name These stuck places often go unattended inside of us and they are shaping our lives more than we would like to think We've been trying to fix this feeling with everything but God He has a plan for these spaces inside of us the places we feel broken but we have to go to Him Stuck is a journey to take an honest look at the fight going on inside leading us to the God who has a plan to restore it to restore us This guide serves as a tool to prepare you in leading this Stuck study and to help you the leader understand how to lead a group effectively and meet the needs of the various types of learners in your group This leader's guide provides you with helpful tips to effectively point your women to the overarching theme of each lesson and explains how to use the session tools including the video the personal study projects and the conversation cards Designed for use with Stuck Video Study 9780849922541 and Stuck Study Guide 9781418548742 sold separately **Six groups (of two interior monologues) are located at six different locations, with Group 1 and 2 separated by 206 pages, 2 and 3 separated by 30 pages, 3 and 4 separated by 230 pages, 4 and 5 separated by 160 pages, and 5 and 6 separated...** Todd Van Buskirk, 2015-01-31 Six groups of two interior monologues are located at six different locations with Group 1 and 2 separated by 206 pages 2 and 3 separated by 30 pages 3 and 4 separated by 230 pages 4 and 5 separated by 160 pages and 5 and 6 separated by 90 pages Groups are located on pages 217 interior monologue A on page 219 and interior monologue B on page 223 is Group 1 11 interior monologue A on page 13 and interior monologue B on page 15 is Group 2 41 interior monologue A on page 43 and interior monologue B on page 47 is Group 3 271 interior monologue A on page 273 and interior monologue B on page 277 is Group 4 111 interior monologue A on page 113 and interior monologue B on page 117 is Group 5 and 21 interior monologue A on page 23 and interior monologue B on page 27 is Group 6 See page 9 for details **Stuck** Victoria Grady, Patrick McCreesh, 2022-02-28 Our work life is changing Every day new companies technologies and ideas emerge that impact how where and most importantly why we work Despite this exciting evolution people remain the heart of change People are tricky People don't seem to evolve as fast as global trends People get Stuck Teams have people moving at different speeds with different levels of adoption in our evolving workplace Some evolve and some don't Teams get Stuck Leaders managers and teammates struggle with this resistance and get frustrated Frustrated people impact the performance of every organization Organizations get Stuck Why The answer is deeply human and biological rooted in the way our brain interacts with everything in the world even work When people feel they are losing something they react by getting Stuck Stuck connects over 20 years of research on our brain's reaction to the evolving workplace with real stories of people journeying through the challenge of being Stuck The organizations leaders and managers who understand these concepts will evolve with the future Those organizations will understand LOSS as a tool to achieve business WINS This book addresses a critical concept that closes a gap in other popular

business publications Many books tell leaders and managers the process of how to change their organizations However many of these books lack a key mechanism for understanding human interactions The mechanism is a biological function developed through evolution called attachment the human need to connect to different tangible and intangible objects for support Attachment is the reason that people connect with leaders and corporate culture but also what creates a deep sense of loss during even the smallest changes Stuck offers a complete understanding of attachment and how it impacts individuals relationships and organizations The root of the challenge is the human need to connect to different tangible and intangible objects for support The basis of the need for support is grounded in our need for attachment Those who learn to understand loss through attachment behavior and the attachments of others will succeed In addition this book provides original data based evidence from assessments conducted with nearly 20 000 respondents and original stories from the application of attachment concepts in more than 150 organizations across all sectors around the globe It shines a light on attachment and use it as a lens to better understand our workplace Stuck is not an academic study It is a practical guide for leading the brain through change For the first time the authors tell stories that demonstrate their research and offer a roadmap for how to leverage attachment research to drive business success Stuck provides not only the deep lessons from the authors research but clear steps for readers to use the lessons of attachment in their own work In this way the book serves as a guide to those leaders managers and employees who are ready to be unStuck

Managing Uncertainty in Organizational Communication

Michael W. Kramer, 2014-04-04 In this book Michael W Kramer applies uncertainty reduction theory URT a key theory in current communication scholarship to the context of organizational communication Examining URT and the range of research applicable to organizational settings Kramer proposes a groundbreaking theory of managing uncertainty TMU which synthesizes prior research while also addressing its criticisms Examples are provided to illustrate the principles of the TMU at both the individual and collective group organizational levels of analysis Original studies based on the theory show that it provides a useful extension of URT addressing some concerns raised by critics of that earlier model Kramer illustrates that as a model in progress TMU will change as new research and insights build upon it Managing Uncertainty in Organizational Communication assists readers in understanding and researching uncertainty in communication which encourages additional changes and improvements to the model It is of primary interest to scholars researchers and practitioners in organizational interpersonal and group communication
