## Six Early American Plays 1798 189:

**Early American Poetry** Oscar Wegelin, 1903      *Women, 'Race' and Writing in the Early Modern Period* Margo Hendricks, Patricia Parker, 2013-08-21 *Women Race and Writing in the Early Modern Period* is an extraordinarily comprehensive interdisciplinary examination of one of the most neglected areas in current scholarship The contributors use literary historical anthropological and medical materials to explore an important intersection within the major era of European imperial expansion The volume looks at the conditions of women's writing and the problems of female authorship in the period the tensions between recent feminist criticism and the questions of race empire and colonialism the relationship between the early modern period and post colonial theory and recent African writing *Women Race and Writing in the Early Modern Period* contains ground breaking work by some of the most exciting scholars in contemporary criticism and theory It will be vital reading for anyone working or studying in the field      *A Bibliography of Early Secular American Music* Oscar George Sonneck, 1905      **Abigail and John Adams** G. J. Barker-Benfield, 2010-11-15 During the many years that they were separated by the perils of the American Revolution John and Abigail Adams exchanged hundreds of letters Writing to each other of public events and private feelings loyalty and love revolution and parenting they wove a tapestry of correspondence that has become a cherished part of American history and literature With Abigail and John Adams historian G J Barker Benfield mines those familiar letters to a new purpose teasing out the ways in which they reflected and helped transform a language of sensibility inherited from Britain but amid the revolutionary fervor becoming Americanized Sensibility a heightened moral consciousness of feeling rooted in the theories of such thinkers as Descartes Locke and Adam Smith and including a moral sense akin to the physical senses threads throughout these letters As Barker Benfield makes clear sensibility was the fertile humanizing ground on which the Adamses not only founded their marriage but also the abhorrence of injustice and inhumanity they and their contemporaries hoped to plant at the heart of the new nation Bringing together their correspondence with a wealth of fascinating detail about life and thought courtship and sex gender and parenting and class and politics in the revolutionary generation and beyond Abigail and John Adams draws a lively convincing portrait of a marriage endangered by separation yet surviving by the same ideas and idealism that drove the revolution itself A feast of ideas that never neglects the real lives of the man and woman at its center Abigail and John Adams takes readers into the heart of an unforgettable union in order to illuminate the first days of our nation and explore our earliest understandings of what it might mean to be an American      **The National Union Catalog, Pre-1956 Imprints**, 1975      *The Charleston Stage in the XVIII Century* Eola Willis, 1924      *Emperor of Liberty* Francis D. Cogliano, 2014-04-28 This book the first in decades to closely examine Thomas Jefferson's foreign policy offers a compelling reinterpretation of his attitudes and accomplishments as a statesman during America's early nationhood Beginning with Jefferson's disastrous stint as wartime governor of Virginia during the American Revolution and proceeding to his later experiences as a diplomat in France

Secretary of State and U S Vice President historian Francis Cogliano considers how these varied assignments shaped Jefferson s thinking about international relations The author then addresses Jefferson s two terms as President his goals the means he employed to achieve them and his final record as a statesman Cogliano documents the evolution of Jefferson s attitudes toward the use of force and the disposition of state power He argues that Jefferson although idealistic in the ends he sought to achieve was pragmatic in the means he employed Contrary to received wisdom Jefferson was comfortable using deadly force when he deemed it necessary and was consistent in his foreign policy ends prioritizing defense of the American republic above all else His failures as a statesman were more often than not the result of circumstances beyond his control notably the weakness of the fledgling American republic in a world of warring empires

### **Wordsworth's Reading**

**1770-1799** Duncan Wu,1993-01-29 A directory of authors and books read by Wordsworth before the age of thirty

American Book Prices Current ,1907 A record of literary properties sold at auction in the United States

### **Riot and**

**Revelry in Early America** William Pencak,Matthew Dennis,2010-11-01 Riot and revelry have been mainstays of English and European history writing for more than a generation but they have had a more checkered influence on American scholarship Despite considerable attention from new left historians during the 1970s and early 1980s and more recently from cultural and public sphere historians in the mid 1990s the idea of America as a colony and nation deeply infused with a culture of public performance has not been widely demonstrated the way it has been in Britain France and Italy In this important volume leading American historians demonstrate that early America was in fact an integral part of a broader transatlantic tradition of popular disturbance and celebration The first half of the collection focuses on rough music and skimmington forms of protest whereby communities publicly regulated the moral order The second half considers the use of parades and public celebrations to create national unity and overcome divisions in the young republic Contributors include Roger D Abrahams Susan Branson Thomas J Humphrey Susan E Klepp Brendan McConville William D Piersen Steven J Stewart and Len Travers Together the essays in this volume offer the best introduction to the full range of protest and celebration in America from the Revolution to the Civil War

Rogue Performances P. Reed,2009-06-22 Rogue Performances recovers eighteenth and nineteenth century American culture s fascination with outcast and rebellious characters Highwaymen thieves beggars rioting mobs rebellious slaves and mutineers dominated the stage in the period s most popular plays Peter Reed also explores ways these characters helped to popularize theatrical forms such as ballad opera patriotic spectacle blackface minstrelsy and melodrama Reed shows how both on and offstage these paradoxically powerful persistent and troubling figures reveal the contradictions of class and the force of the disempowered in the American theatrical imagination Through analysis of both well known and lesser known plays and extensive archival research this book challenges scholars to re think their assumptions about the role of class in antebellum American drama

### **MLA International Bibliography of**

**Books and Articles on the Modern Languages and Literatures** ,2007 *First Lady of Letters* Sheila L.

Skemp, 2011-08-24 Judith Sargent Murray 1751 1820 poet essayist playwright and one of the most thoroughgoing advocates of women's rights in early America was as well known in her own day as Abigail Adams or Martha Washington Her name though has virtually disappeared from the public consciousness Thanks to the recent discovery of Murray's papers including some 2 500 personal letters historian Sheila L Skemp has documented the compelling story of this talented and most unusual eighteenth century woman Born in Gloucester Massachusetts Murray moved to Boston in 1793 with her second husband Universalist minister John Murray There she became part of the city's literary scene Two of her plays were performed at Federal Street Theater making her the first American woman to have a play produced in Boston There as well she wrote and published her magnum opus *The Gleaner* a three volume miscellany that included poems essays and the novel like story *Margaretta* After 1800 Murray's output diminished and her hopes for literary renown faded Suffering from the backlash against women's rights that had begun to permeate American society struggling with economic difficulties and concerned about providing the best possible education for her daughter she devoted little time to writing But while her efforts diminished they never ceased Murray was determined to transcend the boundaries that limited women of her era and worked tirelessly to have women granted the same right to the pursuit of happiness immortalized in the Declaration of Independence She questioned the meaning of gender itself emphasizing the human qualities men and women shared arguing that the apparent distinctions were the consequence of nurture not nature Although she was disappointed in the results of her efforts Murray nevertheless left a rich intellectual and literary legacy in which she challenged the new nation to fulfill its promise of equality to all citizens

**Transactions of the Colonial Society of Massachusetts** Colonial Society of Massachusetts, 1905 [Publications of the Colonial Society of Massachusetts](#), 1905 *Notes and Queries*, 1929

**Billboard**, 2002-11-09 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends [Society and Manners in Early Nineteenth-Century Ireland](#) John Gamble, 2011 **Catalogue of Official A.E.F. Photographs** United

States. War Department. General Staff, 1919 **Citizens in a Strange Land** Hermann Wellenreuther, 2015-06-26 In *Citizens in a Strange Land* Hermann Wellenreuther examines the broadsides printed single sheets produced by the Pennsylvania German community These broadsides covered topics ranging from local controversies and politics to devotional poems and hymns Each one is a product of and reaction to a particular historical setting To understand them fully Wellenreuther systematically reconstructs Pennsylvania's print culture the material conditions of life the problems German settlers faced the demands their communities made on the individual settlers the complications to be overcome and the needs to be satisfied He shows how these broadsides provided advice projections and comment on phases of life from cradle to grave
