Carpenter, 2023-03-04 In 1864 an ambitious young painter named Francis Bicknell Carpenter approached

Abraham Lincoln with a proposal he wanted to paint a grand portrait of the President and his entire Cabinet to commemorate the issuance of the Emancipation Proclamation. What followed was a six-month project in the White House where the artist had the opportunity to observe Lincoln in his day-to-day activities. Carpenter later wrote down his recollections from this period and published them as *The Inner Life of Abraham Lincoln* in 1866. It went on to become one of the most popular books about Lincoln in the immediate aftermath of his assassination. The original book is republished here in its entirety with a contextual Introduction from historian S. C. Straley.

The inner life of Abraham Lincoln : Six months at the White House F. B. Carpenter, 2025-03-02

In *The Inner Life of Abraham Lincoln: Six Months at the White House*, F. B. Carpenter presents an intimate portrait of President Abraham Lincoln during a pivotal period in American history. Written in a reflective biographical style, the book draws upon Carpenter's direct observations and interactions with Lincoln, whom he befriended while painting the President's portrait. This narrative weaves together poignant anecdotes, personal reflections, and historical context, capturing the enormity of Lincoln's inner turmoil as he navigated the challenges of the Civil War and his deep commitment to the Union. The literary context of the work reflects the era's fascination with personal biography, offering not just a glimpse into Lincoln's public persona but an exploration of his psychological and emotional struggles. F. B. Carpenter was an artist and close observer of historical moments. His unique position as a painter allowed him to engage with Lincoln at a time when the nation was fraught with conflict and uncertainty. Carpenter's dedication to portraying not only the likeness but the spirit of Lincoln reveals the admiration and respect he harbored for the President. This dual perspective of artist and chronicler infuses the work with authenticity and depth, shedding light on a leader's mind during moments of profound crisis. I highly recommend *The Inner Life of Abraham Lincoln* to readers interested in understanding the complexities of leadership and human emotion during turbulent times. Carpenter's heartfelt account provides invaluable insights not only into Lincoln's character but also into the moral dilemmas facing a nation grappling with its identity. This book serves as a profound exploration of resilience, empathy, and the burdens of leadership that resonate powerfully in contemporary discussions about governance.

Herndon on Lincoln William H. Herndon, 2016-01-30

After Abraham Lincoln's assassination in 1865, William H. Herndon began work on a brief subjective biography of his former law partner, but his research turned up such unexpected and often startling information that it became a lifelong obsession. The biography, finally published in 1889, Herndon's *Lincoln* was a collaboration with Jesse W. Weik, in which Herndon provided the materials and Weik did almost all the writing. For this reason, and because so much of what Herndon had to say about Lincoln was not included in the biography, David Donald has observed: "To understand Herndon's own rather peculiar approach to Lincoln biography, one must go back to his letters. An exhaustive collection of what Herndon was told by others about Lincoln was published by Douglas L. Wilson and Rodney O. Davis in *Herndon's Informants: Letters, Interviews, and Statements about Abraham Lincoln*. In this new volume, Wilson and Davis have produced a comprehensive edition of what Herndon himself wrote about Lincoln in his own letters. Because of

Herndon's close association with Lincoln, his intimate acquaintance with his partner's legal and political careers, and because he sought out informants who knew Lincoln and preserved information that might otherwise have been lost, his letters have become an indispensable resource for Lincoln biography. Unfiltered by a collaborator and rendered in Herndon's own distinctive voice, these letters constitute a matchless trove of primary source material. Herndon on Lincoln Letters is a must for libraries, research institutions, and students of a towering American figure and his times. [The Civil War in 50 Objects](#)

Harold Holzer, New-York Historical Society, 2013-05-02

The American companion to *A History of the World in 100 Objects*, a fresh visual perspective on the Civil War. From a soldier's diary with the pencil still attached to John Brown's pike, the Emancipation Proclamation, and the leaves from Abraham Lincoln's bier, here is a unique and surprisingly intimate look at the Civil War. Lincoln scholar Harold Holzer sheds new light on the war by examining fifty objects from the New-York Historical Society's acclaimed collection. A daguerreotype of an elderly, dignified ex-slave, a soldier's footlocker still packed with its contents, Grant's handwritten terms of surrender at Appomattox: the stories these objects tell are rich, poignant, sometimes painful, and always fascinating. They illuminate the conflict from all perspectives—Union and Confederate, military and civilian, black and white, male and female—and give readers a deeply human sense of the war.
