A Report of Seven Trials at the Clonmel Summer Assizes of M, DCCCXXIX Abraham Brewster, 1830

A Grandfather'S Gift James E. Smith Sr., 2014-02-11 This book is about my life experiences and also contains the stories I have heard my folks tell while sitting on the front porch after supper For many years my maternal grandfather lived with us He and my dad would swap interesting stories about times when they were growing up and farming with oxen and mules They talked about the dummy line railroads that ran through the forest near our home and told their childhood tales and many other stories I would long for later in life I wanted to pass this and my life stories down to my descendants Many interesting stories were told in the serene setting of the front porch deep in the country with only the interruptions of whippoorwills hoot owls screech owls and such making pleasant noises in the distant woods I hope that this book will inspire future generations in some way to understand the important things in life Its been said that the best things are free and I learned that one only has to make necessary efforts to obtain a peaceful happy and fulfilling life
