his life's testing moments that we all have experienced at one time or another in our own lifetime Jon travels to all four corners of our globe even to the moon He encounters men women and children from all religions and all walks of life from the biggest city to the smallest remote village within less than one of Earth's years During this time Jon also coexists with every animal insect and aquatic world teaching him our planet's strengths and weakness His unique knowledge and gift to be channelled to every living human being Giving him a chance to choose do and wish not only for ourselves but for another The questions remain What would you choose What would you do What would you wish      **3 1-2 Days to Forever** B. Craig Moore,2024-08-28 3 1 2 Days to Forever is the book that unlocks the secrets of the identity of Mystery Babylon which are hidden in the name and number 666 of the beast all the while proving the meaning of the rapture The sum total of which is written in a sealed timeline until now Daniel the prophet and John the apostle both saw it and understood it and now it is time for you to know it The Bible the whole Bible is a clock which proves our story This world's days as we know them come to their end It is time for you to drop your religion and believe what God has been saying all this time A story the same story written from the beginning Genesis to the end Revelation All having the same purpose A proving of whose image will still be standing when the smoke clears Remember this is not an allegory this is literal The sixth trump nuclear war comes soon the first of three great end time battles that will end mankind's reign as kings with dominion over this earth Know this the name and the number of the beast are here right now Be warned Noah was a preacher of righteousness who proclaimed the end was coming and no one believed him Read this book and believe what the Bible says because when Jesus the Bible says something it means something that makes sense something that affects the whole world When you understand who's who and who the witnesses are everything becomes clear 3 1 2 Days to Forever proves the Bible's timeline and reveals the final reasons this piece of the master the Bible was given to mankind And that reason is so that we can all know when the Holy One of God will return Not the day and hour but a specific timeline to things past present and future We are the timekeepers
