Robert Barr Smith, 1999-03-01 In October 1892 the notorious Dalton gang concluded their days of outlawry at Coffeyville Kansas with a bold attempt to rob two banks at once in broad daylight The raiders Bob Grat and Emmett Dalton Bill Powers and Dick Broadwell were nothing more than common hoodlums says author Robert Barr Smith The real heroes of the day were the townspeople who spontaneously turned out in haste and in force to dispatch the outlaws in a bloody downtown shoot out Smith sorts out the truth from the legends and suggests answers to some of the perplexing questions about the Coffeyville fight including whether or not there was a sixth man who got away In addition Smith recounts the violent aftermath of the fight the trial and later life of Emmett Dalton the only outlaw to survive the raid and the bloody ends of the Dalton gang s successors Bill Doolin and Bill Dalton

**The Dream Team** Ronald Wilson, 2012-09 Do you have a dream in you that challenges you on a daily basis to be birthed Well you will be very surprised to see whom God will choose to help press that dream into manifestation This writing is dedicated to every believer as a tool to help affirm the God inspired dream you feel within the heart of your spirit Its purpose is to bring you into a broader perspective of the people God allows to accompany you on your journey of life while pursuing your purpose It will quickly become frustrating if we have and keep a narrow perspective concerning whom God has designed to help us reach our dreams in life We dedicate this writing to the leader as well as the dream God has planted in your heart Sometimes we are capable of questioning the fact of the cause of people flowing in and out of our lives God is a strategist and

he will never make a mistake There is none good but God We cannot separate good from God so we must trust that whatever he permits in our lives it has to be for our good There is a purpose of the current flow of people in your life today Upon reading we pray the material shared will help broaden your perspective and purpose of life *Daring Jimmy W.*

**Why God Wants You Wealthy and Government Wants You Poor** Kevin L. Patterson,2008-09 Why God Wants You Wealthy and Government Wants You Poor attempts to dispel the long held belief that God does not want his followers to be wealthy and presents a variety of sources and information to argue why the government conspires to keep people poor and unsuccessful Kevin Patterson shares his in depth knowledge of business development as he explores the vast differences between what he feels God wants spiritual seekers to achieve and the government s history of playing an intrusive role in hampering business development Through reliance on Scriptures and stories of successful entrepreneurs Patterson motivates those who want to improve their financial status and well being by including advice and helpful tips on many practical topics including The definition of a true asset Ways to build a vision and a great team How to save money to start a business Methods of investing that will increase wealth How to rise above the naysayers Patterson inspires anyone who is tired of waking up every morning and facing the same drab day to begin tomorrow with a new determination to reach for the stars and create a dream life

**Pay Attention to the Thin Cow** Gene A. Hoots,2012-05 Since 1979 when Tom Quinn and Gene Hoots began investing together there have been a major bull market a gigantic bubble two major bear markets and heart stopping stock market plunges Through all of this their firm has adhered to its investment philosophy Pay Attention to the Thin Cow is a collection of CornerCap s writings through 2005 Running the 4 billion benefit funds of R J Reynolds worldwide gave the CornerCap founders an opportunity to study the investment industry close up and personal The experience became an investment laboratory where they were exposed to the best of the players in the institutional investment world the consultants the banks and the mutual fund giants the private

advisory firms both in the US and abroad After a decade of observing what worked and what didn't they set up CornerCap a firm that was based on the best practices of the investors they studied These CornerCap commentaries consistently describe and reinforce those practices to the reader They explain in simple understandable terms straightforward advice advice that they always point out is easy to understand but very hard to do While it is a collaborative effort much of the book reflects the personal experiences of Gene Hoots He has had the unique opportunity to work in the corporate world as a major customer of investment services for twenty plus years and then help create a small entrepreneurial firm that is a supplier of those same services He notes that size really doesn't alter the rules the same investing principles apply to everyone Along the way he also offers opinions on the major issues he believes we are facing in America today and an occasional view of corporate life from the inside This book will not give the reader tips on becoming an overnight millionaire or on day trading as a path to fame and fortune or even how to spot a hot stock Rather it is a collection of essays from CornerCap's first fifteen years that the CornerCap people hope will make the readers a bit more informed about their own investments and less vulnerable to all of the missteps that can steadily erode their efforts to accumulate wealth consistent mistakes that can add up to huge losses over a lifetime Avoiding these common investing mistakes can greatly increase the prospect of meeting long term financial goals no matter whether you are saving for a secure retirement or your grandchildren's education In Pay Attention to the Thin Cow Gene Hoots shares his experiences from five decades in the corporate and investment worlds from both the large and small viewpoint sometimes as a participant and sometimes as an observant bystander      **Awards ... with Index Digest**
