## **Slaughter In The Ring:**

**Chokehold: Pro Wrestling's Real Mayhem Outside the Ring** Weldon T. Johnson, Jim Wilson, 2003-09-02 This meticulously crafted and searing critique of pro wrestling is unlike any wrestling book published. Chokehold is a penetrating description of pro wrestling's dark side: a secret underworld of deception, exploitation, and greed. The storyteller is Big Jim Wilson, All American football player and survivor of seven years in the NFL who was promised wealth and the world championship as pro wrestler. Instead, Jim Wilson found a surprisingly lucrative sports entertainment industry built on a pyramid of secrets that included abusive control of its performers and a long history of illegal business practices and corruption of politicians and state athletic commissions. Chokehold describes and documents the abuses that Jim Wilson witnessed and endured: blacklisting, strong arm tactics, homosexual blackmail, defiance of the U.S. Justice Department, and bribery of TV executives and arena managers. Chokehold is an explosive indictment of the pro wrestling industry's business practices as well as a thoughtful proposal for pro wrestling's reform. This book is not a conventional exposé of pro wrestling's orchestrated stunts, gimmicks, and blade jobs. Instead, it is an unprecedented examination of pro wrestling's less visible cons outside the ring: its hidden manipulation of wrestlers with broken promises and broken bones, and a backstage power of the pencil that writes scripts for wrestler stardom or extinction. Chokehold describes a secret slice of the wrestling life where traveling troupes of heels and babyfaces understand how they got into the game but cannot find a way up or out. This is the story of why and how the big guys almost always lose. Chokehold is part autobiography and part pro wrestling history. Written in wrestlespeak, the industry's insider argot, it is dedicated to the memory of the older boys whose broken bodies and shattered lives should have taught us something. In addition to Jim Wilson's experiences in *The Business*, this book reviews significant but forgotten episodes in the wrestling industry's long history of gangland tactics. The industry's infamous blacklist is revisited by revealing the dozens of wrestlers from the past whose names were on it. The industry's history of predatory promotional wars in California, Georgia, Texas, and Virginia is told with FBI reports obtained through a Freedom of Information Act request. From court documents, this book names compromised state athletic commissions, TV station managers, and local politicians from wrestling's viewpoint: the best that money could buy. There are many famous wrestling names in this book: Gorgeous George, Lou Thesz, Jack Brisco, the Funk Brothers, Dusty Rhodes, Bruiser Brody, Bill Watts, and others. Another is The Sheik, Eddie Farhat, who says, "There aint no nice guys in this business. There aint no people, there's dollars." Another is Jim Wilson's tag team partner, Thunderbolt Patterson, who warned Jim, "The wrestling business takes advantage of anybody who has any notoriety or ability. You got to understand that wrestlers are worse than whores. They are pimped. They use you as long as they possibly can, or as long as you don't complain. When you complain, they get rid of you." Another is Jim Wilson's friend, The Magnificent Zulu, Ron Pope, who summarizes his career this way: "It's such a crooked business. The guys, wrestlers, are a bunch of crooks. They steal from the marks, and the promoters steal from them. The guys

wrestlers want to be stars Theyll do anything theyll cut throats for it Actually wrestlers dont have to be paid All they need is a couple of six packs of beer a night and a nice looking ring rat with a good body Or drugs and a ring rat Its not the money Its being a star Its the glory and the pussy This book confronts the wrestling industrys traditional practice of punishing wrestlers who refuse

## **Slaughter In The Ring Introduction**

In today's digital age, the availability of Slaughter In The Ring books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Slaughter In The Ring books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Slaughter In The Ring books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for

educational or professional purposes. By accessing Slaughter In The Ring versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Slaughter In The Ring books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Slaughter In The Ring books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Slaughter In The Ring books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Slaughter In The Ring books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Slaughter In The Ring books and manuals for download and embark on your journey of knowledge?
