Koch, Mikael Fauvelle, Barry Cunliffe, Johan Ling, 2025-05-31 Challenges the terrestrial focus of European prehistory emphasizing the significance of seascapes maritime networks and coastal societies in shaping prehistoric Europe For many years now the main thrust of European prehistory has followed a fundamentally terrestrial plot line This terrestrial paradigm has undervalued the story of Europe as a peninsula between the Baltic Mediterranean and Atlantic and likewise downplayed that of many navigable rivers that reach deeply inland and the large lakes important for travel and subsistence In vast areas of Europe the survival of incoming groups depended on coping and interacting with a seascape as much as a landscape From the late Mesolithic onwards in regions such as Scandinavia the British Isles and the Mediterranean most occupation was coastal seas or rivers provided the most important infrastructure for transport exchange and communication Know how about seascapes boatbuilding navigation and maritime networks had a profound impact on social organisation ritual monuments and iconography and the spread of materials and ideas enabled by the adaptation of languages to these new environments Given these facts the time is long overdue to critique the dominant terrestrial paradigm of European prehistory This book is the first in the multi author series Maritime Encounters outputs of the major six year 2022 2028 international research initiative funded by Sweden s central bank Our programme is based on a maritime perspective a counterpoint to prevailing land based vantages on Europe s prehistory In the Maritime Encounters project a highly international cross disciplinary team has embarked on a diverse range of research goals to provide a more detailed and nuanced story of how prehistoric societies realised major and minor sea crossings organised long distance exchange and adapted to ways of life by the sea in prehistory      **The Inside Passage and Coastal Alaska** Lynn Readicker-Henderson, Ed Readicker-Henderson, 2002-03 New information All manner of tips and recommendations for the first time or veteran Belize traveler Encouraging eco travel O Donnell profiles many of the unique archeological sites wildlife preserves marine sanctuaries and conservation areas Explore firsthand Belize s myriad attractions Visit Belize City the Turneffe Islands Belmopan San Ignacio Corozal Punta Gorda and more      *Troubled Times* David W.
