

What happens when
a group of people are kidnapped
from their homes, smuggled away in
chains, and held captive in a
foreign land, where they
are tortured, raped, and forced to
perform hard labor by the lash of a
whip and under the constant threat of death?

My Schoolhouse Is a Ghost Town Sunni Ali, 2016-03-16 This book is dedicated to the terrific educators that inspire uplift and challenge young people to achieve their personal goals and aspirations The journey of being a teacher is truly arduous and challenging which makes it difficult for some teachers to remember why they entered this field Teachers dedicate a great portion of their lives giving back to society and despite their sincerest efforts policyholders business leaders and certain members of the public do not appreciate the work educators perform on a consistent basis Although it is very telling how many public schools have been closed and minority teachers dismissed from current reform other schools and teachers will soon feel its wrath unless there is an educational push back and demand for a return to community schooling This book speaks to not only how an educator continues to utilize creative methodology to reach youth but also navigate through the harshness imposed by current school reform initiatives *My Schoolhouse is a Ghost Town* further challenges educators and parents to commit to activism as currently demonstrated by members of the Chicago Teacher Union and parent progressive organizations to fight for reform under this current system and create their own school models Otherwise more urban public schools along with black and brown teachers will become ghost as unrealistic demands continue to impact this great profession

Making Satan Weep R. Leland Smith, 2009-05-01 Lorenzo Tolliver works as an investigative reporter with The Chicago Defender News Paper He adopted a journalist name of Cyrano because he was accused by many of being too nose-y His column appeared infrequently since he devoted much of his time doing research and seeking personal interviews When he exploded a bombshell that Satan weeps he gained national recognition throughout the Christian society Its his eye opening article he recalled the many observations and conversations he had conducted Slavery, Fatherhood, and Paternal Duty in African American Communities over the Long Nineteenth Century Libra R. Hilde, 2020-10-01 Analyzing published and archival oral histories of formerly enslaved African Americans Libra R Hilde explores the meanings of

manhood and fatherhood during and after the era of slavery demonstrating that black men and women articulated a surprisingly broad and consistent vision of paternal duty across more than a century Complicating the tendency among historians to conflate masculinity within slavery with heroic resistance Hilde emphasizes that while some enslaved men openly rebelled many chose subtle forms of resistance in the context of family and local community She explains how a significant number of enslaved men served as caretakers to their children and shaped their lives and identities From the standpoint of enslavers this was particularly threatening a man who fed his children built up the master's property but a man who fed them notions of autonomy put cracks in the edifice of slavery Fatherhood highlighted the agonizing contradictions of the condition of enslavement and to be an involved father was to face intractable dilemmas yet many men tried By telling the story of the often quietly heroic efforts that enslaved men undertook to be fathers Hilde reveals how formerly enslaved African Americans evaluated their fathers including white fathers and envisioned an honorable manhood
