Lewis, George MacDonald & Dante Kathryn Ann Lindskoog, 2001 Here are dozens of surprising aspects of the life and writings of C S Lewis George MacDonald and Dante George MacDonald loved the writings of Dante and C S Lewis loved the writings of both Dante and MacDonald Contents range from the guick surprising fun of Who Is This Man to the practical down to earth instruction of C S Lewis s Free Advice to Hopeful Writers and the adventurous scholarship of Spring in Purgatory and Mining Dante A Bearer of Divine Revelation Lawrence Dorr, 2003 With a spare eloquence reminiscent of Hemingway and an insistence on divine grace even in the darkest circumstances Lawrence Dorr writes short stories as powerful as they are profound The fifteen new and selected stories here stylistically and substantively rich follow a central character through episodes reflecting Dorr s own eventful life his childhood in Hungary wartime experiences on the Russian front hardship and poverty the death of family and friends With a subtle depth of feeling and a clear mature voice Dorr writes of refugees and survivors and of the social cultural and religious chasms that separate them The book s title story as an example follows Dorr s protagonist through Salzburg Austria as he struggles to survive both physically and spiritually in the aftermath of World War II Each of these stories has its own plot but the book as a whole offers a subtle yet powerful story line that underscores the protagonist s deepening sense of life s meaning and grace Dorr s literary odyssey is a pilgrim s progress from trials and anguish come hard won understanding and hope While war and pain bring loss of friends of family of faith of God slowly a new life a new faith and a new love emerge and with them a deep peace As gripping to read as it is moving A Bearer of Divine Revelation will speak to readers at every stage and station in life 1 Samuel John Woodhouse, 2022-06-01 The Old Testament book of 1 Samuel records the story of three important leaders in Israel s history Samuel Saul and David The lives of these flawed men showcase God's gracious response to ancient Israel's leadership crisis offering valuable lessons related to why leaders fail

the impact this failure can have on God's people and what it means to model godly leadership even today In this accessible commentary John Woodhouse shows how 1 Samuel reveals the importance of true leadership and the character of the godly leader More significantly this volume points forward to Jesus Christ the fulfillment of God's promises to his people and the only perfect leader the world has ever known Those who preach and teach God's Word will find this an invaluable resource as they seek to help others embrace 1 Samuel s timely message Part of the Preaching the Word series Michael J. Gorman, 2021-07-27 When it was first published in 2001 Cruciformity broke new ground with a vision of Pauline spirituality that illuminated what it meant to be a person or community in Christ Beginning with Paul s express desire to know nothing but Christ crucified Gorman showed how true spirituality is telling the story in both life and words of God's self revelation in Jesus so that we might practice cruciformity the impossible possibility of conformity to the crucified Christ Two decades later Gorman's seminal work is still a powerful model for combining biblical studies and theological reflection to make Paul's letters more immediately relevant to contemporary Christian life This twentieth anniversary edition includes a new foreword by Nijay Gupta a next generation Pauline scholar heavily influenced by Gorman as well as an afterword by the author in which he reflects on the legacy of Cruciformity in the church and the academy including his own subsequent work in Pauline theology **Only Love Creates** Fabio Rosini,2019-01-01 This collection draws heavily from the core devotional strain in Miller's poetry offering what novelist Fenton Johnson described in his review of Iron Wheel as the vision and experience of that place where dark merges seamlessly into light the house and home of grace unasked for and perhaps undeserved but transformative all the same Framed by meditations on the beginnings and possible post human ends of culture the new poems reflect on the callings and limits of art in responding to desire history mortality and injustice Set in the American South Wales France the Czech Republic and Sudan the poems address and invoke the divine **Tempered Resilience** Tod Bolsinger, 2020-11-10 What type of leadership is needed in a moment that demands adaptive change Exploring the qualities of adaptive leadership within churches and nonprofit organizations Tod Bolsinger deftly examines both the external challenges we face and the internal resistance that holds us back showing how leaders can become both stronger and more flexible The High Place Timothy J. McAlpin, 2025-08-25 This is a daily devotional that captures stories that have a spiritual significance These stories are compelling and deeply insightful that introduces you to the spiritual world around you and how God is active in our lives We Rejoice in Our Sufferings Tom Kingery, 2020-12-10 We Rejoice in Our Sufferings is based on Romans 5 1 5 It explores the passage in depth but the primary focus is on suffering trials and tribulations and why we can rejoice in spite of them Quoting Scripture the author notes Suffering produces endurance endurance produces character and character produces hope And hope does not disappoint us Romans 5 3 5 Tom Kingery a retired United Methodist pastor urges you to think about how you have suffered There are many types of pain many kinds of trouble and many times when we want to sing the blues However if we learn to endure by God s grace we can

gain not only a positive perspective that is rooted in faith but we can feel triumphant We can overcome Understanding where God is in the midst of our trials helps us understand who God is and what our suffering means Sometimes there is a purpose to our suffering so rejoice Church After the Corona Pandemic Kyle K. Humphrey, 2006 Foreword by Eugene H Peterson Countering the generic spirituality so popular today Edith Humphrey presents an authentic Christian spirituality that draws on Scripture and the profound riches of the Christian tradition Orthodox Catholic and Protestant Humphrey shows how Christian spirituality is rooted in the Trinity in the ecstasy going out of oneself and intimacy profound closeness with another marking the relations between Father Son and Holy Spirit The book embodies a banquet of excerpts from the greatest spiritual writers in history such luminaries as St Augustine St John Chrysostom Julian of Norwich St Teresa of vila the Wesley brothers Thomas Merton and Alexander Schmemann Humphrey's elegant prose laced with stories and images from her own life beautifully uncovers the ways in which God's trinitarian life informs all human communion Each chapter ends with guestions for further reflection and discussion **Wager** Raymond Barfield, 2017-03-21 How do humans explore beauty virtue love justice and goodness This book argues that philosophical attention to our lives shaped in part by our choices is our instrument for investigating these parts of reality Constructing a life is a philosophical act Philosophical acts that are shaped by a life and that shape a life constitute philosophical style Everyone has a philosophical style which is fundamentally about the way we live in the world through our bodies our reason our imagination and our virtue It is about what we love and how we are loved Beauty suffering and being in the world are placeholders for everything that makes up our lived experience As we live our lives between beauty and suffering we learn most about being in the world The argument of the book moves from a discussion of philosophical style through the three placeholders for human experience as they are affected by philosophy beauty suffering and being in the world arriving at a reworking of Pascal's wager about living in relationship to the presence or absence of God as a way of understanding the commitments that are our only way into the truth of our life

Imitating Christ Luke Timothy Johnson,2024-08-06 Is discipleship about personal sanctification or social reform Believers are divided on a question central to Christian identity what does it mean to follow Jesus For centuries imitating Christ meant the pursuit of holiness conforming the self to Jesus through self sacrifice in order to join him in eternal life But some Christians today consider this model to be self centered Instead they say true disciples ought to imitate Jesus in confronting corrupt social systems on behalf of the oppressed In Imitating Christ esteemed New Testament scholar Luke Timothy Johnson seeks the origin of this fissure Surveying the New Testament medieval mysticism modern theology and more Johnson

shows how twentieth century social gospel and liberation theologies created a new model of discipleship He then evaluates the theological implications of the two models and asks what we can learn from each Inspired by Dietrich Bonhoeffer and Thomas Merton Johnson puts forward a vision of discipleship that can revitalize Christian witness in the world today Replete with keen exegesis and spiritual insight Imitating Christ reorients Christian living toward pursuing sainthood Pastors and interested lay readers alike will rediscover a rich heritage in these pages — Quick Scripture Reference for Counseling Youth Patricia A.
