and has had children hiding behind sofa's since it was first broadcast in 1963 Eleven actors have played the famous Time Lord starting with William Hartnell and it has been a career landmark for all of them Indeed no other role in television history is as iconic demanding or as anticipated by its legions of fans as that of the famous time traveller with two hearts Find out Who was a bouncer for The Rolling Stones before taking control of the Tardis Who was nearly blown up in the Second World War aboard HMS Hood Who had a fondness for woolly hats and had a grandson who would become Harry Potter's nemesis Who played a transvestite barmaid before becoming a Doctor Who heart throb Go back in time and read the human story behind a TV legend **Timeless Adventures** Brian J. Robb, 2023-10-05 This critical history of Doctor Who covers the series 60 years from the creation of the show to its triumph as Britain's number one TV drama Opening with an in depth account of the creation of the series within the BBC of the early 1960s each decade of the show is tackled through a unique political and pop cultural historical viewpoint exploring the links between contemporary Britain and the stories Doctor Who told and how such links kept the show popular with a mass television audience Timeless Adventures reveals how Doctor Who is at its strongest when it reflects the political and cultural concerns of a mass British audience the 1960s 1970s and 21st Century and at its weakest when catering to a narrow fan based audience as in the 1980s The book also addresses the cancellation of the show in the late 1980s following the series becoming increasingly self obsessed and the ways in which a narrowly focused dedicated fandom contributed to the show's demise and yet was also instrumental in its regeneration for the 21st Century under Russell T Davies and analyses the new series to reveal what has made it so popular reflecting real world issues like consumerism and dieting **The British Library General Catalogue of Printed Books, 1986 to 1987** British Library, 1988 **I'll Never Have Sex with You Again!** Larry Bleidner, Irene Zutell, 2002-05-06 FORGET
