## **Slrjews Christian Imagination:**

**The Religious Use of Imagination** Elias Henry Johnson,1901      **The Religious Use of Imagination** E. H.

Johnson,2015-06-27 Excerpt from The Religious Use of Imagination The author hopes that this will not be thought an audacious little book It undertakes merely to tell of something which is going on in ordinary minds without drawing attention and which had better be told in order that its importance may be weighed Certain convictions about God and his ways with men are strangely persistent Reason has never made haste to welcome these convictions although it has often tried to adjust itself to them and even to justify them They persist because they have laid hold on the Christian imagination The less welcome to reason their persistence the more evidently it is due to imagination Indeed precisely the doctrines that stagger imagination commend themselves to it in some aspect possibly by their very boldness About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      Is It Just

My Imagination? Charles Mosley,2019-02-23 Christians are called to love God with all their hearts In Is It Just My Imagination the relationship between imagination and love of God is explored The private world of one s imagination impacts public expressions of loving God      *Imagination Redeemed* Gene Edward Veith Jr.,Matthew P. Ristuccia,2014-11-30 Your imagination matters Contrary to popular perception it s not just for kids artists or fans of science fiction Rather the imagination is what bridges our thinking and feeling allowing us to do everything from planning a weekend getaway to remembering what we ate for breakfast In *Imagination Redeemed* Gene Veith and Matthew Ristuccia uncover the imagination s importance for Christians helping us understand who God is what his Word teaches and how we should live in the world today Here is a call to embrace this forgotten part of the mind as a gift from God designed to bolster faith hope and love in his people      The Christian Imagination Justus George Lawler,1955      *The Christian Imagination of Thomas Dekker*

Charles McKinley Saltzman,1959      **The Inner Rainbow** Kathleen R. Fischer,1983      Imagination a Gift from God Nathan Sparkes,2018-12-04 Nathan had no limits when it came to dreaming and believing as a child Unfortunately the world distorted his true ability to dream big and to believe in bigger things He fell into sin and corruption growing up and forgot about what it ment to dream like a child again when there were no limits As he fell further and further into darkness he lost himself This is now his journey of how Nathan got back to believing and trusting in his wild dreaming all over again Using His imagination was truely a gift from God Imagination is a powerful gift from God We need to learn how to use our imagination correctly because if we don t learn this process it will begin to cause us to limit God in our lives God s work in

our lives is only limited by us limiting our imagination We all have desires of things we want to achieve This is why we need visions hopes and dreams Visions hopes and dreams gives us a purpose in life It gives us goals to look forward to and gives us objectives we wish to achieve Having hopes of dreaming big are a part of who we are We cannot live without them that s why we need to learn to develop a wonderful imagination that reflects the heart of God     *Imagination and the Journey of Faith* Sandra M. Levy,2008-09-05 This book will speak to all readers whether religious believers or not who wish to strengthen and deepen the imaginative power of their spiritual lives     **The Power of Imagination** Andrew Wommack,2019

*Imaginations* James P. Gills,2000 When a relinquished life becomes faithful to the promises of God the result is His joy His peace and His charity Dr James Gills recounts his own period of rest and complacency brought on by a time of incapacitation He learned that when we give ourselves over to the thought patterns of the world we turn our backs on the Lord and His glory *Imaginations More Than You Think* was written so that the reader might understand how rich life can be when we focus our thoughts on God You will come to treasure its wisdom as you learn to appreciate its four foundational principles We are what we think therefore our thoughts determine our actions Our present thoughts affect how we will spend eternity God is most glorified in us when we are most satisfied in Him Our greatest joy comes from surrendering our thoughts to God Dr Gills teaches the reader how to wake up with love happiness and enthusiasm for the new day True surrender to the satisfaction of being with Jesus and accepting His provision for us sets the reader free from all daily worry and concern     **RELIGIOUS USE OF IMAGINATION** E.
