When That Rough God Goes Riding Greil Marcus,2011-04-05 Van Morrison says Greil Marcus remains a singer who can be compared to no other in the history of modern popular music When Astral Weeks was released in 1968 it was largely ignored When it was rereleased as a live album in 2009 it reached the top of the Billboard charts a first for any Van Morrison recording The wild swings in the music mirroring the swings in Morrison s success and in people s appreciation or lack of it of his music make Van Morrison one of the most perplexing and mysterious figures in popular modern music and a perfect subject for the wise and insightful scrutiny of Greil Marcus one of America s most dedicated cultural critics This book is Marcus s quest to understand Van Morrison s particular genius through the extraordinary and unclassifiable moments in his long career beginning in 1965 and continuing in full force to this day In these dislocations Marcus finds the singer on his own artistic quest precisely to reach some extreme musical threshold the moments that are not enclosed by the will or the intention of the performer but which somehow emerge at the limits of the musician and his song

Music's Golden Frontier Smitty Herron, 2011-08-02 Smitty is a creative talent who brings a very unique interpretation that is both informative and anecdotal He had spent most of his life studying and working with the graphic visual arts Although he still loves the visual arts he finally realized later in life what he had actually known all along that everything comes back to a song It is not unusual for anyone to conjure up vivid memories whenever a certain song is mentioned or played However Smitty does it in a way that puts the reader into the actual environment very magical Most folks would probably not have experienced some of the events and circumstances that he mentions within this book but I think that everyone can relate to them Another factor that sets this book apart from other music retrospectives are the constant reminders of those unheralded performers writers producers who seldom would get top billing but who made outstanding creations just the same One of his strongest talents is being able to link a specific historic event with a song which of course comes from a very deep memory This along with the sometimes humorous observations contained throughout make for very enjoyable and informative reading Could actually be considered as a general reference book for the music and events of the baby boomer generation The best thing is not only is this book a story about a specific era but it is his story
