Powell,Joseph Roach,2020-12-10 Hair or lack of it is one the most significant identifiers of individuals in any society In Antiquity the power of hair to send a series of social messages was no different This volume covers nearly a thousand years of history from Archaic Greece to the end of the Roman Empire concentrating on what is now Europe North Africa and the Near East Among the key issues identified by its authors is the recognition that in any given society male and female hair tend to be opposites when male hair is generally short women s is long that hair is a marker of age and stage of life children and young people have longer less confined hairstyles adult hair is far more controlled hair can be used to identify the other in terms of race and ethnicity but also those who stand outside social norms such as witches and mad women The chapters in A Cultural History of Hair in Antiquity cover the following topics religion and ritualized belief self and society fashion and adornment production and practice health and hygiene gender and sexuality race and ethnicity

class and social status and cultural representations The Natural History of Lancashire, Cheshire and the Peak in Derbyshire (etc.) Charles Leigh, 1700 **Official History of the Ministry of Munitions Volume IV: The Supply and Control of Labour 1915-1916** HMSO, 2012-04-23 Volume 4 of 12 The foundation of the Munitions Ministry was a revolutionary step coinciding with the shells scandal in which the failure of a series of British attacks Neuve Chapelle Aubers Ridge Festubert and Loos was blamed on inadequate supplies of munitions A press outcry was followed by questions in Parliament which threatened to bring down the Government The Ministry was set up in response Previously the War Office had been responsible for designing ordering and inspecting ammunition factories and stores But a year of war on a scale never foreseen the creation of armies larger than ever contemplated and the demand for unprecedented quantities of material showed the absolute necessity of providing centralised direction of mass war production The Great War completely upset normal industrial conditions Preparing this history of the Ministry of Munitions was started during the War itself It was felt that consulting the officials concerned whilst they were still in post was vital particularly as many such posts were temporary and while the questions with which the history would deal were vividly present in their minds This volume contains information concerning Labour Supply July December 1915 Labour Regulations and the Munitions of War Amendment Act 1916 The Limitation of Recruiting The Progress of Dilution **A New History of Early English Drama** John D. Cox, David Scott Kastan, 1997 Twenty six original essays by leading theorists and historians of the pre seventeenth century English stage chart a paradigmatic shift within the field In contrast to the traditional emphasis on individual authors the contributors to this storehouse of new historical information and critical insight explore the place of the stage within the larger society as well as issues of performance and physical space providing an innovative approach to both literary studies and cultural history **The History and Development of Gold Dredging in Montana** Hennen Jennings, 1916 **The Natural History of Animals, Vegetables, and Minerals** Georges Louis Leclerc comte de Buffon, 1776 Essays in the History and Philosophy of Science Pierre Duhem, Pierre Maurice Marie Duhem, 1996-01-01 Here for the first time in English are the philosophical essays including the first statement of the Duhem Thesis that formed the basis for Aim and Structure of Physical Theory together with new translations of the historiographical essays presenting the equally celebrated Continuity Thesis by Pierre Duhem 1861 1916 a founding figure of the history and philosophy of science Prefaced by an introduction on Duhem's intellectual development and continuing significance here as well are important subsequent essays in which Duhem elaborated key concepts and critiqued such contemporaries as Henri Poincare and Ernst Mach Together these works offer a lively picture of the state of science at the turn of the century while addressing methodological issues that remain at the center of debate today BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved
