Small Room:

Notes From A Small Room Ruskin Bond, 2017-08-29 It's the simple things in life that keep us from going crazy Ruskin Bond writes in this enchanting collection of essays a celebration of the uncomplicated pleasures of a life well lived In A Good Philosophy we learn of Bond's life philosophy or the lack of it and In Search of the Perfect Window we join him in meditating on the qualities of a good window and its importance to a room Whether contemplating the sound of a tropical downpour on the fragrance of lime trees in the Himalayas or on a year spent with his cat Suzie Ruskin Bond transports us to a quieter more elegant world where time moves at a gentle pace He invites us to revel in the intricacies of life and to poke fun at its absurdities with insight wisdom and wit
