Expansion, 1906-1930 James Robinson, 2014-05-07 In the present volume James Robinson completes his trilogy which deals with the history of divine healing in the period 1906 1930 The first volume is a study of the years 1830 1890 and was hailed as a standard reference for years to come The second book covers the years 1890 1906 and was acclaimed as a monumental achievement that combines careful historical scholarship and a high degree of accessibility This volume completes the study up to the early 1930s and like the other two works has a transatlantic frame of reference Though the book gives prominence to the theology and practice of divine healing in early Pentecostalism it also discusses two other models of healing the therapeutic and sacramental promoted within sections of British and American Anglicanism Some otherwise rigorous Fundamentalists were also prepared to practice divine healing The text contributes more widely to medical and sociocultural histories exemplified in the rise of psychotherapy and the cultural shift referred to as the Jazz Age of the 1920s The book concludes by discussing the major role that divine healing plays in the present rapid growth of global Christianity

Making Good the Claim Rufus Burrow Jr., 2016-02-16 The Church of God Reformation Movement founded in 1881 has the distinction of having been founded on the two core principles of holiness and visible unity Standard histories of the group proudly argue that the founder and pioneers exhibited a zeal for interracial unity that began to wane only in the early years of the twentieth century This book rejects that claim and argues instead that little to no extant hard evidence supports that view Moreover Making Good the Claim argues that while blacks eagerly joined the group they did so not because whites expended much energy evangelizing among them but because they heard something deeper in the message of holiness and visible unity than God's expectation that members achieve spiritual and church unity Unlike most whites blacks interpreted the message to call for unity along racial lines as well This book challenges members of the Church of God to begin forthwith to make good their historic claim about holiness and visible unity particularly as it applies to interracial unity *Tongues of Fire Devotional*, 2019-05-07 A fifty day devotional for Pentecost featuring the words and teachings of faithful men and women of God both classic and contemporary authors regarding the miraculous power available through God's gift of the Holy Spirit Includes excerpts from Smith Wigglesworth John G Lake William Seymour Aimee Semple McPherson Maria Woodworth Etter Andrew Murray E W Kenyon R A Torrey John Wesley Mary K Baxter Guillermo Maldonado James Goll Bill Johnson and many more Let this collection of charismatic classics help you to celebrate the wild tongues of fire that signified the coming of Holy Spirit on the day of Pentecost and be filled anew with the powerful presence of God With My Hand in His Virginia Phillips Kreft, 2013-09 Do you desire intimacy with Jesus He desires it with you A look at the Song of Solomon confirms that just as with a husband and wife intimacy real oneness with Him requires above all else love and selflessness and must include determination time and faithfulness So it is with our Bridegroom Jesus Christ Is your path of life difficult He says This is the way walk in it Learn to read and follow His road map as you grasp tightly to His hand and follow Him through the seasons of life Be encouraged as the author shares years of personal experience and life lessons Learn some of the most essential
