**Nine Lives to Eternity** Scott D. Gottschalk,2010-12-11 *Nine Lives to Eternity* is a true chronicle of cheating death time and again This inspirational and faith driven human triumph details the aftermath of my many harrowing experiences and mishaps any of

which should have resulted in certain death Each time I was somehow incessantly saved by guardian angels The numerous near death experiences accounted for twenty six fractured bones and rendered me unconscious on five separate occasions yet somehow I lived to tell my compelling story of survival and triumph over death By the release date of this book the good Lord has allowed me to somehow somehow survive up until and beyond the celebration of my fifty fifth birthday Trust me when I reiterate that my life hasnt been a painless journey while defeating death on a habitual basis Beginning as a mere infant at the age of nine months old and then continuing through fifty five years Ive cheated death again and again During my lifes journey Ive survived an unfathomable twenty seven encounters with death Ive escaped death through seven different machinery and equipment mishaps Ive avoided horse or mule death challenges no fewer than five times Although one of my lifes greatest pleasures has always been motorcycling Ive paid a price by suffering through five singular accidents that should have terminated my life Few in life could survive even one automobile crash yet Ive lived to describe three separate vehicular collisions In addition Ive escaped death from toxic fumes twice and twice averted death threats while working within dangerous third world countries Ive even fallen from a rooftop nearly crashed in an airplane and lived through a poisoning yet by the grace of God Ive failed to become a fatality statistic Ive often joked that for every day in which I dont read my own name within a newspaper obituary column that becomes a really good day for me To survive so many brushes with death is difficult to absorb My goal driven ambitions have unfortunately brought me to the threshold of death numerous times Ive driven myself to limits that few would attempt Early in life I set a goal for myself to try and fit three lifetimes of experiences into my short time on this planet As a youth I never believed that I would survive beyond an age of forty years Most certainly my high risk behaviors reduced my odds for a lengthy existence As my life unfolded the numerous encounters with death became staggering Between the ages of nine months up until nine years I faced death three times From the ages of ten years through my nineteenth birthday death crossed my pathway four more times During my tumultuous twenties from the ages of twenty years through twenty nine years I survived eight separate death encounters Between the ages of thirty years through thirty nine years my chances of death slowed down to two By the ages of forty years through forty nine years the Grim Reaper visited me on three separate occasions As I reached midlife I discovered that the pace of my death engagements was increasing From the ages of fifty years through fifty five years Id already amassed five singular close encounters with death Perhaps that assertion should come as no surprise Since reaching my fifties Id done little to slow down or reduce my zest for life and risk taking determination Few adults when faced with their own midlife crisis will attempt such outlandish feats as mountain climbing to the summit of Devils Tower in Wyoming or riding a motorcycle nonstop for ten thousand miles or consulting in the midst of a war within the country of Afghanistan Im thankful for each and every day that Im allowed the privilege of living I try to give thanks and praise to my Lord every day for granting me the tenacity to overcome even the worst of survival odds Through my strong faith and spirituality and by never accepting defeat Ive been

able to constantly repel the onset of death      The Nine Lives of Charlotte Taylor Sally Armstrong,2011-07-27 Charlotte Taylor lived in the front row of history In 1775 at the young age of twenty she fled her English country house and boarded a ship to Jamaica with her lover the family s black butler Soon after reaching shore Charlotte s lover died of yellow fever leaving her alone and pregnant in Jamaica In the sixty six years that followed she would find refuge with the Mi kmaq of what is present day New Brunswick have three husbands nine more children and a lifelong relationship with an aboriginal man Using a seamless blend of fact and fiction Charlotte Taylor s great great great granddaughter Sally Armstrong reclaims the life of a dauntless and unusual woman and delivers living history with all the drama and sweep of a novel Excerpt from from The Nine Lives of Charlotte Taylor Every summer of my youth we would travel from the family cottage at Youghall Beach to visit my mother s extended clan in Tabusintac near the Miramichi River And at every gathering just as much as there would be chickens to chase and newly cut hay to leap in so there would be an ample serving of stories about Charlotte Taylor She was a woman with a past The potboilers about her ran like serials from summer to summer at weddings and funerals and whenever the clan came together She wasn t exactly presented as a gentlewoman although it was said that she came from an aristocratic family in England Nor was there much that seemed genteel about the person they always referred to as old Charlotte Words like lover and land grabber drifted down from the supper table to where we kids sat on the floor There were whoops of laughter at her indiscretions followed by sideways glances at us But for all the stories passed around it was clear the family still had a powerful respect for a woman long dead We owed our very existence to her and the anecdotes the older generation told suggested that their own fortitude and guile were family traits passed down from the ancestral matriarch For as long as I can remember I ve tried to imagine the real life Charlotte Taylor lived and more how she ever survived
