Stumbling Toward God A Prodigals Return:

Stumbling Toward God Margaret D. McGee, 2002 *Stumbling Toward God* traces a woman's spiritual search with an unusual twist from a self-proclaimed atheist who prays to unorthodox membership in two radically different churches the Unitarian and Episcopal This book is an honest satisfying read for anyone questioning or seeking a spiritual path A reading group guide is also included

Stumbling toward Wholeness Andrew J Bauman, 2018 We desire to be transformed to grow more and more like Christ But for many of us our strategies for change don't work We misperceive God as a judgmental Father leaving us demoralized and paralyzed by shame *Stumbling toward Wholeness* offers a new strategy for spiritual growth and life transformation regularly returning to the arms of a kind and loving Father There are many books that explore the parable of the Prodigal Son but few approach it with the personal vulnerability and psychological insight of Andrew Bauman Andrew shows how taking the time to identify with each of the brothers in this story can help us come to terms with our own brokenness and the need for God revealed in it We discover a process of change that applies to each of us and a healing journey that moves us toward the likeness of the Father in how we love the people around us and address the pain others have caused us

The Living Church, 2003 *The Heartbeat of God* Katharine Jefferts Schori, 2010-10 Insights from a pioneering leader in world religion on the intersections of the sacred the secular As Christians indeed as people of faith of any tradition we are called to tend to the needs of the least among us Our response to them must be the response of faith God gives us a new heart to do this work and every time we gather to do it God offers a pacemaker jolt to tweak our heart's rhythm The challenge is this will our hearts respond with a strengthened beat in tune with God's own heartbeat sending more life out into the world from the Introduction Explore our connections as human beings with each other as one nation with all other nations as the human species with the whole of our environment through the lens of faith Katharine Jefferts Schori presiding bishop of The Episcopal Church examines these connections as she looks at the intersections of faith with the major issues of our day How does faith speak to poverty climate change the economy health care and what is the faith response How can believers from many faith traditions find common ground while honoring the Divine serving one another and creating deeper community How do we best use the resources of faith to connect us to the hearts of our neighbors and to the heart of God

Godward / The Prodigal Steps Larry D. McClure, 2022-11-18 *Godward The Prodigal Steps* Spiritual Wisdom and Understanding Blessed is the one who finds wisdom and the one who gets understanding Proverbs 3:13 By Larry D McClure From a young age Larry D McClure's life was rife with tragedy following the deaths of his cousins neighbor father and twin brother This series of unfortunate events set him on a course to find answers as to why his life was filled with so much pain *Godward The Prodigal Steps* compiles the answers Mr McClure found to this burning question over a 40 year period Though originally not intended to be published after many years of research and study Mr McClure came to realize that others could benefit from this powerful and lifechanging experience Using the Bible as the

foundation for his research Mr McClure draws upon other sources such as the readings of Edgar Cayce the Gospel of Thomas The Law of One The Ra Material and the Unity Metaphysical Bible Dictionary delving deeper into the how and why things happen in our lives

A Prodigal Return Ken Jones,2009-12 In A Prodigal Return Reflections of a Grateful Heart you will be encouraged in your walk with God Ken Jones shares intimately from his own experiences from his struggle as an alcoholic to his days working as a counselor for troubled kids Personally familiar with God s forgiveness and compassion he passionately expresses what God has shown him If you ve ever thought I m a Christian Now what these devotions will speak to your heart and inspire you to greater faith Ken Jones gives faith building suggestions that are touching and humorous A Prodigal Return shows that God always welcomes the prodigal If you re seeking to draw closer to God A Prodigal Return will help you on your path to greater commitment You no longer have to struggle alone These devotions will guide you on your daily journey

When You Love a Prodigal Judy Douglass,2019-09-17 Loving a prodigal is a long and desperate journey filled with fear worry anger self recrimination You wait for the phone call will it be from jail or the hospital You plead with your loved one You search for help You feel the shame You cry out to God How long Lord Author Judy Douglass knows these lovers of prodigals well She is one herself and has created a large and growing community with others When You Love a Prodigal is a collection of 90 essays 90 days of perspective on what God offers to you as you love your prodigal At the end of each brief essay response questions will help you process how God intends to use the wilderness journey to mold your spiritual life You can work through it day by day or you can read it straight through Judy has traveled this road with her own prodigal reading learning praying and seeking God Over and over he continued to give her wisdom he sustained her he covered her with grace and he filled her with hope May you too be strengthened and filled with hope as together you discover how God will take you through your own valley

Classic Pentecostal Sermon Library Vol 2 Ray H. Hughes,2011
The Publishers Weekly ,2002 *The Prodigal Daughter* Margaret Gibson,2013-06-19 The 1950s and 1960s were years of shifting values and social changes that did not sit well with many citizens of Richmond Virginia and in particular with one conservative family a staunchly southern mother and father and their two daughters A powerful evocation of time and place this memoir a gifted poet s first book of prose is the story of an inquisitive and sensitive young woman s coming of age and a deeply moving recounting of her reconciliation later in life with the family she left behind Returning us to a Cold War world marked by divisions of race gender wealth and class The Prodigal Daughter is an exploration of difference the powerful wedge that separates individuals within a social milieu and within a family Echoing the biblical Prodigal Son Margaret Gibson s memoir is less concerned with the years of excess away from home than with the seeds of division sown in this family s early years Hers is the story of a mother proud to be a Lady a Southerner and a Christian of two daughters trapped by their mother s power and of their father s breakdown under social and family expectations Slow to rebel young Margaret finally flees the world of manners and custom which she deems poor substitutes for right thought and right action in the face

of the Civil Rights movement and the Vietnam War and abandons her fundamentalist upbringing In a defiant gesture that proves prophetic she once signed a postcard home The Prodigal After years of being the distant absent daughter she finds herself returning home to meet the needs of her stroke crippled younger sister and her incapacitated parents In this tale of homecoming and forgiveness death and dying Gibson recounts how she overcame her long indifference to a sister she had thought different from herself recognizing the strengths of the bonds that both hold us and set us free Interweaving astute social observations on social pressures race relations sibling rivalry adolescent angst and more The Prodigal Daughter is a startlingly honest portrayal of one family in one southern city and the story of all too many families across America
