Giordano, Stephen F. Davis, Carolyn A. Licht, 2012 Your Graduate Training in Psychology takes current and upcoming graduate students beyond the typical concerns of enrolling into graduate school and guides them on how to complete graduate school successfully Unlike other books that focus on how to get into graduate school this book directly addresses the major issues that students confront during their graduate training in psychology A carefully selected cadre of expert authors in their respective areas illuminate the broad range of processes practices and procedural issues that face graduate students in both masters and doctoral programs Ordered chronologically from the first year of graduate school Settling In to what students need to know as they finish Winding Down and Gearing Up students will learn the key skills needed to succeed in all aspects of their academic and professional careers while in school and after beginning a professional career *Becoming a Clinical Psychologist* Silvia Fiammenghi, Robert Keisner, Danielle Knafo, 2015-02-06 Whether you are thinking about starting therapy going to graduate school or are yourself a practicing healer of hearts and minds Becoming a Clinical Psychologist Personal Stories of Doctoral Training offers a wealth of useful information about today s training and trainees This book is a collection of accounts written by a diverse group of early career psychologists and doctoral students in their final stages of training Each of the twelve authors provides a deeply personal inside perspective on becoming a therapist Some of the chapters combine qualitative research with the author s particular experience while others emphasize the author s personal journey as

s he moves from novice to clinician Some of the issues that are covered include the ways in which training affects personal and professional relationships with spouses friends peers faculty and supervisors and clients how budding clinicians deal with their own issues and feelings of inadequacy and how trainees learn to develop the right balance of empathy and detachment in working with clients Also unique to this collection is the diversity reflected in the contributors which include an Orthodox Jewish gay man who came out during training a Black woman of African descent who found a home in the psychoanalytic approach a White man who experienced minority status in his mostly female doctoral program a bisexual White woman who had to negotiate misperceptions and judgments as she moved through her clinical training and a dissident student who came from another profession and found herself at odds with most of her professors and supervisors about the role of trauma in the etiology of mental illness *Becoming a Clinical Psychologist* is a compelling read for those both inside and outside the field of psychology

The Oxford Handbook of Education and Training in Professional Psychology W.
